

# **Manfaat Perilaku Meminta Maaf kepada Anak Bagi Ayah yang bersuku Jawa**

*Vincentius Yoshua Wisnumurti*

## **ABSTRAK**

Penelitian ini bertujuan untuk mengeksplorasi manfaat perilaku meminta maaf pada anak di mata ayah yang bersuku Jawa. Pertanyaan penelitian yang diajukan adalah bagaimana manfaat dibalik perilaku meminta maaf kepada anak bagi ayah yang bersuku Jawa apabila telah melakukan kesalahan. Dalam penelitian eksploratif ini, peneliti menggunakan pendekatan dengan metode kualitatif. Penelitian ini melibatkan tiga orang responden yakni tiga orang Ayah bersuku Jawa yang tinggal di Daerah Istimewa Yogyakarta. Pengambilan data dilakukan melalui wawancara mendalam atau tidak terstruktur. Proses validasi yang dilalui dalam penelitian ini adalah dengan menggunakan *member checking*, dimana data dari hasil wawancara yang diperoleh dapat dipakai jika responden merasa hasil tersebut menggambarkan pengalaman dari responden. Hasil penelitian menunjukkan bahwa bagi ayah bersuku Jawa, terdapat banyak manfaat perilaku meminta maaf kepada anak. Pada dasarnya, ayah yang bersuku Jawa menyadari banyak manfaat dari perilaku meminta maaf kepada anak, namun nilai dan ajaran budaya Jawa menekan mereka sehingga cenderung sulit untuk melakukan perilaku meminta maaf.

Kata kunci : *Perilaku Meminta Maaf, Ayah kepada anak, Ayah bersuku Jawa, Budaya Jawa*

# **The Benefits of Apologizing towards Children from the Fathers perspective in Javanese Culture**

*Vincentius Yoshua Wisnumurti*

## **ABSTRACT**

*This research is aimed to explore the benefits of apologizing towards Children from fathers perspective in Javanese Culture. The main question from this research is how fathers from javanese culture interpret the behavior of apologizing towards children if they had made a mistake. In this exploration research, qualitative method is applied as an approach. Three Javanese ethnic fathers who lived in Yogyakarta were involved as a respondents during this research. The data was collected by using deep and semi-structured interview. Credibility in this research was built by applying member checking methods, which applied when the data can portray the respondents experience correctly. The result shows that apologizing towards children from the fathers perspective in Javanese Culture it has many benefits. Some of Javanese ethnic fathers feel that apologizing towards children is nothing more than words. However, some of the rest feel that doing apologizing towards children is not quite simply with words. In essence, Javanese ethnic fathers aware of the many benefits from apologizing towards children's behavior, but the values and teachings of Javanese culture that are less likely to suppress them to perform the behavior of apologizing.*
