

ABSTRAK

Skripsi ini berjudul **UPAYA MENINGKATKAN PEMBINAAN HIDUP RELIGIUS PARA SUSTER JUNIOR PUTERI REINHA ROSARI DALAM MENGHADAPI TANTANGAN ZAMAN SEKARANG**. Pemilihan judul bertitik tolak dari keprihatinan penulis akan kehidupan para suster junior PRR dan hasil wawancara dengan para suster junior yang mana mereka kurang setia menjalankan panggilan hidup secara sungguh-sungguh serta menggunakan media komunikasi secara tidak bertanggung jawab. Kenyataan ini perlu mendapat perhatian dalam pembinaan integral yang akan memungkinkan para suster junior PRR dalam menghayati hidup sebagai religius yang berkaul.

Permasalahan pokok dalam penulisan skripsi ini adalah bagaimana para suster junior PRR dapat meningkatkan hidup sebagai religius dalam menghadapi tantangan zaman sekarang. Berdasarkan permasalahan di atas, penulis merumuskan sebagai berikut: Bagaimana proses pembinaan hidup religius bagi para suster junior PRR selama ini dilaksanakan? Langkah-langkah pokok manakah yang perlu diperhatikan dalam pembinaan hidup religius para suster junior PRR? Proses pembinaan hidup religius macam apakah yang dirasa efektif bagi para suster junior PRR saat ini?

Dalam mengkaji permasalahan di atas, penulis menggunakan metode pendekatan langsung melalui wawancara dengan para suster junior PRR dan pembina junior yang dipandu dengan pertanyaan penuntun serta penemuan hasil refleksi pribadi dan studi pustaka. Penulisan skripsi ini membahas arti pembinaan secara umum dan arti pembinaan dalam hidup religius, yang meliputi pengertian pembinaan hidup religius pada umumnya, tujuan pembinaan, unsur-unsur yang perlu diperhatikan, pembinaan integral hidup religius, bentuk-bentuk hidup religius, cara hidup religius, langkah-langkah pembinaan serta aspek-aspek yang diharapkan bertumbuh dalam hidup religius. Penulisan ini membahas pula arti pembinaan hidup religius menurut konstitusi kongregasi PRR, yang meliputi pengertian pembinaan hidup religius PRR, tujuan pembinaan, sasaran pembinaan dan jati diri religius PRR. Penulisan ini membahas pula tahap-tahap pembinaan hidup religius pada umumnya melalui masa aspirat, postulat, novisiat, yuniorat dan bina lanjut (*on going formation*), serta tahap-tahap pembinaan hidup religius menurut konstitusi kongregasi PRR. Penulis membahas pula pembinaan hidup religius para suster junior PRR dalam menghadapi tantangan zaman yang meliputi pengertian suster junior menurut konstitusi kongregasi PRR, tantangan-tantangan hidup religius zaman sekarang dan pengaruhnya bagi suster junior PRR dalam menghayati hidup sebagai religius serta upaya dalam mengatasi tantangan zaman sekarang.

Dalam masa pembinaan para suster membutuhkan model pembinaan yang membantu mereka berkembang dalam kehidupan religius. Oleh karena itu penulis menawarkan suatu program pembinaan katekese model *Shared Christian Praxis (SCP)* sebagai salah satu model pembinaan hidup religius junior PRR. Penulisan ini membahas pula kesimpulan umum dan saran penulis dalam upaya meningkatkan pembinaan hidup religius junior PRR selanjutnya.

ABSTRACT

This thesis entitles THE EFFORTS TO INCREASE THE RELIGIOUS LIFE FORMATION OF JUNIOR SISTERS OF DOUGHTERS OF REINHA ROSARY IN FACING THE TODAYS CHALLENGE. It is chosen based on the concern about the lives of junior sisters of the Daughters of Reinha Rosary (PRR) and on the result of the interview to junior sisters of the Daughters of Reinha Rosary (PRR) and their formator that they are not fully faithful to live the vocation and that they are using the media of communication in an irresponsible way. The fact needs attention in order to have an integral formation that will enable junior sisters of the Daughters of Reinha Rosary (PRR) to live out the religious life as a professed sister.

The main problem of the thesis is how the junior sisters of the Daughters of Reinha Rosary (PRR) are able to increase the full comprehension of religious life in facing the today's challenge. Based on the problem above, the writer formulated the problem as follows: How has the formation process of religious life for the junior sisters of the Daughters of Reinha Rosary (PRR) done? What kind of identity of the formation that needs concerning in the formation of the junior sisters of Daughters of Reinha Rosary (PRR)? Which kind of formation of religious life that is effective for the junior sisters of the Daughters of Reinha Rosary (PRR)?

The writer uses the analyzed-descriptive approach through interview to the junior sisters of the Daughters of Reinha Rosary (PRR) and their formator to describe the thesis. The author also uses the private reflection and argumentative-literature research. This thesis describes the meaning of formation in common and the meaning of formation in religious life that consists of the concept of religious life formation in common, the goal of formation, the elements that need to be concerned, the integral formation of religious life, the types of religious life, the religious way of life, the steps of formation and the aspects that hopefully rises from the religious life. This writing also describes the meaning of religious life formation according to the Constitution of the Daughters of Reinha Rosary Congregation (PRR), which consists of the concept of PRR religious life formation, the goal of formation, the target of formation, and the identity of PRR Religious. This writing also explains the formation's steps of religious life in common such as candidacy, postulancy, novitiate, junior and on going formation as well as the steps of religious life formation according to the constitution of the Daughters of Reinha Rosary (PRR) Congregation. The author also explains the religious life's formation of the junior sisters of the Daughters of Reinha Rosary (PRR) in facing the today's challenge that consists of the concept of the junior sisters according to the Constitution of the Daughters of Reinha Rosary (PRR), the challenges of religious life nowadays and the effects to the junior sisters of the Daughters of Reinha Rosary (PRR) as a religious sister and efforts to overcome the today's challenges. *Shared Christian Praxis (SCP)*, a model of catechesis, is one kind of religious life formation for the junior sister of the Daughters of Reinha Rosary (PRR). This writing also describes conclusion and the writer's suggestions as efforts to develop the religious life formation for the junior sisters of the Daughters of Reinha Rosary (PRR).
