

ABSTRAK

Dokumen Konsili Vatikan II menekankan bahwa kerasulan merupakan keterlibatan Gereja baik awam maupun religius untuk menyebarkan Kerajaan Allah, yang diwujudkan melalui berbagai bentuk atau model pelayanan demi kemuliaan Bapa dan keselamatan umat manusia. Dengan kegiatan merasul, baik rasul awam maupun biarawan-biarawati terlibat dalam pewartaan Kristus. Berdasarkan pemahaman tersebut, maka skripsi ini diberi judul: “KEPRIHATINAN RASULI DARI PENDIRI KONGREGASI CIJ TERHADAP HARKAT DAN MARTABAT KAUM PEREMPUAN DI ENDE-FLORES.”

Judul skripsi ini dipilih untuk menelusuri kembali semangat awal kerasulan pendiri dan pewarisannya kepada suster CIJ untuk mengangkat nilai dan martabat hidup manusia khususnya kaum perempuan, memperluas pemahaman dan penghayatan kerasulan Pendiri untuk dihidupi oleh suster CIJ dalam perutusan, meningkatkan semangat pelayanan suster CIJ kepada kaum perempuan melalui pendekatan pastoral, sosial dan kultural. Realitas menunjukkan adanya pergeseran sikap dan semangat hidup untuk merasul secara efektif karena dipengaruhi oleh situasi zaman serta perkembangan ilmu dan teknologi. Maka penulis merasa perlu untuk memperhatikan dan meningkatkan Misi Gereja bagi keselamatan sesama, adanya kesadaran dan tanggung jawab penuh dari setiap anggota Gereja yang terpanggil untuk tugas pewartaan.

Untuk mencapai tujuan penulisan skripsi ini seperti yang diharapkan, penulis menggunakan pendekatan deskriptif analitis dengan menganalisis orientasi pastoral CIJ melalui Konstitusi Awal dalam studi kepustakaan dan beberapa sumber seperti dokumen-dokumen Gereja, dokumen-dokumen Kongregasi CIJ serta beberapa pustaka yang menunjang.

ABSTRACT

Vatican Second Document emphasizes that apostolate is an involvement of the Church, both lay people and religious wide spread the kingdom of God. And this is embodied through the various forms or models of ministry for the sake of the Father's glory and the salvation of mankind. By the apostolate, either lay apostle or religious man and women, are to involve in the proclamation of Christ. Based on the way of thinking mentioned above, then, this mini thesis is meant to be under the title of: **"APOSTOLIC CONCERN OF THE FOUNDER OF CIJ CONGREGATION TOWARD THE DIGNITY AND VALUE OF WOMEN IN ENDE-FLORES."**

This mini of the thesis is chosen to track the apostolic earlier zeal of the founder and her inheriting to the CIJ Sisters, to foster the dignity and value of man's life, especially women, to widen the knowledge and comprehension of the founder's apostolic zeal, to be lived by the CIJ Sisters in their mission, to lift up the ministry spirit of the CIJ Sisters towards women, through pastoral, social and cultural approach. Reality shows that, there is some kind of reshuffle of life zeal and behavior in living the apostolate effectively. Since it is influenced by the situation of the time and the growth of knowledge and technology. As the writer, I believe that, it is needed to give much attention and to foster the Mission of the Church for the salvation of all; it is absolutely needed, the presence of the awareness and full responsibility from each of the Church members who are called for the task of mission.

To attain the goal the writing of this mini thesis, as it is hoped for, I use the analytic descriptive approach, by analyzing the pastoral orientation of CIJ, through the Early Constitution, in literature studying and some other sources, like The Document of the Church, the Document of CIJ Congregation and several supporting literatures.
