

# PLAGIAT MERUPAKAN TINDAKAN TIDAK TERPUJI

## ABSTRAK

Skripsi ini berjudul “ **Membangun persaudaraan untuk menghadapi pengaruh negatif globalisasi di lingkungan St. Stefanus, Paroki Santo Yusup Bintaran, Yogyakarta**”.

Penulis memilih judul ini ber pangkal dari situasi jam an sekarang dengan globalisasi yang sangat berpengaruh terhadap kehidupan manusia, termasuk juga umat di Lingkungan S t. Stefanus, Paroki Santo Yusup Bint aran, Yogy akarta. Umat di s ana um umnya kur ang bi sa mengendalikan di ri m enghadapi ar us globalisasi. Mereka cender ung sibuk dengan ke pentingan pribadi masing-masing yang diakibatkan oleh globalisasi. Hal sem acam ini m embuat hubungan antar warga pun sem akin renggang karena kurangnya komunikasi. Dampak buruk dari globalisasi sudah sampai pada keluarga-keluarga sehingga di sana pun kurang ada komunikasi y ang baik antar sesam a anggota keluarga, karena tiap anggota cenderung sibuk dengan kegiatan prib adi m asing-masing, da n kura ng pe duli kepada warga yang lain. Hal yang sem acam ini m enyebabkan seringnya tim bul percekcoakan antara sesam a anggota keluarga dan da lam keluarga ini anak pun merasa kur ang m endapat per hatian dan ka sih say ang, selain itu masih ada pula dampak negatif lainnya.

Menanggapi hal di atas perlulah diupayakan sesuatu yang khusus dan tak boleh dilupakan, bahwa upaya ini perlu dimulai dari pribadi masing-masing umat sendiri. Masing-masing pribadi juga perlu berpegang pada semangat persaudaraan dan t idak dil upakannya pr insip hi dup be rsama, sehi ngga per saudaraan da pat sungguh-sungguh diwujudkan dan dilestarikan.

Persoalan sk ripsi ini ad alah, bag aimana m engupayakan pendam pingan umat di lingkungan St. Stefanus, Paroki Santo Yusup Bintaran, Yogyakarta guna mewujudkan persaudaraan untuk menghadapi pengaruh negatif globalisasi. Untuk mengetahui sejauh m ana pe ndampingan terhadap um at yang sudah berlangsung dan pengaruh globalisa si terhadap persau daraan um at lingkungan St. Stefanus, diadakan penelitian melalui pengumpulan data di lapangan dengan menyebarkan kuesioner kepada um at untuk m emperoleh m asukan, yang diharapkan dapat membantu pe nulis da lam menyusun ba han pe ndampingan im an ba gi um at di lingkungan St. Stefanus, Paroki Santo Yusup Bintaran, Yogyakarta dalam rangka mewujudkan persaudaraan untuk menghadapi pengaruh negatif globalisasi.

Guna membantu umat Lingkungan St. Stefanus dalam upaya melestarikan persaudaraan di te ngah ar us gl obalisasi, pe nulis lewat s kripsi ini m enawarkan Katekese Umat. Diharapkan Katekese Umat dapat membantu umat Lingkungan St. Stefanus sehingga kedamaian dan keharmonisan akan dapat semakin hidup dan berkembang da lam kehidupan kita sehari-hari, di tengah-tengah ar us globa lisasi ini.

## ABSTRACT

This thesis is **“Building a brotherhood to face the negative effects of globalization on the environment St. Stephen, St. Joseph Parish Bintaran, Yogyakarta.”**

The author chose this title stems from the situation today with the globalization of a very influential on human life, including people at the Environmental St. Stephen, St. Joseph Parish Bintaran, Yogyakarta. Because there is generally less able to control myself facing the globalization. They tend to busy with their personal interests posed by globalization. This sort of thing makes the relationship between citizens even more tenuous because of the lack of communication. The negative communication among fellow members of the family, because each member tends to busy with personal activities of each, and less concerned to other citizens. This sort of thing that led to frequent squabbles arise among family members and children in these families felt less attention and affection, but still there are other negative impacts.

In response to the above it is necessary to be pursued something special and should never be forgotten, that this effort must start from each person his own people. Each person also needs to hold on to the spirit of brotherhood and do not forget the principle of living together, so that the fraternity can truly be realized and preserved.

The issue of this thesis is, how to seek assistance in the environmental community St. Stephen, St. Joseph Parish Bintaran, Yogyakarta in order to realize the brotherhood to face the negative effects of globalization. To determine the extent of assistance to people who already undergo and the impact of globalization on the brotherhood of St. neighborhood . Stephen, conducted research through field data collection by distributing questionnaires to people to get input, which is expected to assist authors in preparing the material assistance for the people of faith in the St. Stephen, St. Joseph Parish Bintaran, Yogyakarta in order to realize the brotherhood to face the negative effects of globalization.

To help the people of Environmental St. Stephen in an effort to preserve the brotherhood in the midst of globalization, the author of his thesis offer catechesis through people. Catechesis expected people can help the people of Environmental St. Stephen so that peace and harmony will be more live and thrive in our daily lives, in the middle of the current globalization.
