ABSTRAK

Skripsi ini berjudul UPAYA PENGEMBANGAN PEMAHAMAN DAN PENGHAYATAN KARISMA BUNDA ELISABETH PADA SUSTER-SUSTER CINTA KASIH ST. CAROLUS BORROMEUS AGAR MEREKA MAMPU MELAKUKAN PENANAMAN NILAI DALAM PENDAMPINGAN REMAJA ASRAMA SMA STELLA DUCE 1 SUPADI, YOGYAKARTA.

Penulisan skripsi ini berlatar belakang karya pelayanan para Suster CB yang terlibat dalam pendampingan remaja asrama di SMA Stella Duce 1 Supadi, Yogyakarta dan perkembangan jaman yang semakin berpengaruh dalam setiap aspek kehidupan warga masyarakat, termasuk juga remaja asrama yang sedang dalam proses pencarian jati diri.

Untuk menanggapi situasi tersebut di atas, penulis melihat pentingnya pendampingan bagi remaja ini. Pendampingan yang mau diangkat dalam skripsi ini ialah pendampingan penanaman nilai yang berinspirasi pada karisma Bunda Elisabeth pendiri Kongregasi CB.

Untuk itu penulis mengadakan studi pustaka tentang karisma Bunda Elisabeth dan pendampingan dengan penanaman nilai. Penulis juga melakukan wawancara untuk mengetahui sejauh mana para suster CB yang terlibat dalam karya pelayanan pendampingan remaja asrama ini disemangati oleh karisma Bunda Elisabeth. Selain itu wawancara ini juga untuk mengetahui sejauh mana pendampingan penanaman nilai terhadap remaja sudah berjalan.

Hasil wawancara menunjukkan bahwa mereka sudah disemangati oleh karisma Bunda Elisabeth, namun masih perlu ditingkatkan. Mereka juga berharap, pendampingan penanaman nilai dapat membantu remaja bertumbuh dan berkembang dalam kualitas hidup khususnya dalam menghadapi tantangan jaman ini.

Untuk menindaklanjuti hasil wawancara tersebut, penulis mengusulkan evaluasi kritis atas kegiatan yang dilaksanakan. Dari evaluasi ini diketahui hal-hal yang belum berkembang serta kesulitan-kesulitan yang dihadapi selama proses pendampingan. Selanjutnya penulis mengadakan program bina lanjut pendampingan guna mengembangkan pemahaman dan penghayatan karisma Bunda Elisabeth pada Suster-suster Cintakasih St. Carolus Borromeus agar mereka semakin mampu melakukan penanaman nilai dalam pendampingan remaja asrama SMA Stella Duce I Supadi, Yogyakarta.

Penulis menyarankan, hendaknya para suster di dalam mendampingi remaja asrama SMA Stella Duce I menggunakan penanaman nilai, peka, berani hadir untuk memberi kesaksian hidup yang sejujur-jujurnya melalui sikap, kata dan perbuatan. Para suster hendaknya setia menggali semangat karisma Bunda Elisabeth dalam bina lanjut yang dilaksanakan oleh kongregasi secara terprogram dan terencana serta membaca secara pribadi buku-buku pendalaman spiritualitas Bunda Elisabeth, pendiri Suster-suster Cintakasih St. Carolus Borromeus.

ABSTRACT

This thesis has the title THE EFFORT ON DEVELOPING APPROPRIATION AND COMPREHENSION OF MOTHER ELISABETH'S CHARISMA ON COMPASSIONATE NUNS OF CAROLUS BOROMEUS CONGREGATION IN ORDER FOR THEM TO BE ABLE TO CONDUCT VALUE CULTIVATION IN THE GUIDANCE OF DORMITORY ADOLESCENTS OF STELLA DUCE 1 HIGH SCHOOL SUPADI, YOGYAKARTA.

The writing of this thesis has the backgrounds on the service work of Carolus Boromeus Nuns who are involved in adolescents guidance in Stella Duce 1 High School and on the growth of this era which gives much more influence on the every community's aspects of life, including the dormitory adolescents who are in the process of searching for their true self.

To respond on the situation above, the writer of this thesis sees the importance of a guidance for those adolescents. The guidance going to be discussed in this thesis is the value cultivation which is inspired by the charisma of Mother Elisabeth, the founding of Carolus Boromeus Congregation.

It is for that purpose that the writer of this thesis conduct a literature research on Mother Elisabeth's charisma and on value cultivation. The writer also conduct interviews to find out how far the Carolus Boromeus Nuns who are involved in this working service of dormitory adolescents guidance are inspired by the charisma of Mother Elisabeth. On the other hand, the interviews are made to find out how far the value cultivation on the adolescents has taken place.

The result of the interviews shows that they have been inspired by Mother Elisabeth's charisma, but still need improvement. They also hope that value cultivation can help the adolescents to grow and develop in their quality of life especially in dealing with the challenges of this era.

Following up the result of the interviews, the writer suggests to conduct critical evaluation on the programme that has been carried out. The evaluation has discovered things that has not improved, also the difficulties that have been faced during the guidance process. Then the writer conducts advance construction program to improve the understanding and comprehension on Mother Elisabeth's Charisma on Compassionate Nuns of Carolus Boromeus so that they are more able to apply value cultivation on dormitory adolescents of Stella Duce 1 High School, Supadi, Yogyakarta.

As the suggestion, in guiding the dormitory adolescents of Stella Duce 1 High School, the nuns are supposed to apply value cultivation, be sensitive, be courageous to present to give honest life witness through their attitudes, speeches, and conducts, be faithful to discover the spirits of Mother Elisabeth's charisma in a programmed and planned advance development which is carried out by the congregation, and personally read books on the spirituality of Mother Elisabeth, the founding of Compassionate Nuns of Saint Carolus Boromeus.
