The chairman of BKLDK or the Campus Da'wah Institution Coordinating Body Chapter Bandung, Rifan Abdul Azis, has said that the only solution to Palestine crisis is by conducting jihad. He also said that the role of Indonesian students was to disseminate the Palestine crisis to the people so that they would be more and more aware of their calling to free the Islamic holy land of Al-Quds or Jerusalem.

During a students' discussion entitled "*Mahasiswa Peduli Palestina* or Indonesian Students care for Palestine", he mentioned about Trump's promise to his main financial sponsor during his presidential campaign, a Jewish Sheldon Andelson. Rifan Abdul Azis also talked about the important role of Jews in the US economy and politics.

During the discussion held at a national radio RRI Pro 2 Bandung 96FM in Bandung (on 18 December), he insisted that Trump Jerusalem Move was about fulfilling and meeting his promise to Sheldon Andelson.

According to him, the Jerusalem Move would strengthen Israeli control over the Islamic holy land of Jerusalem.

Worrying about Israeli PM Benjamin Netanyahu's response to President Trump's declaration on Jerusalem, Rifan Abdul Azis said that there would be more cruel actions conducted against the people of Palestine. He further said that the Prime Minister's words, "Glory be the Jews country!" had suggested such a situation.

When asked about the best solution to Palestine crisis, he said that there would not be any other solution but to conduct jihad. It should be as the same as the Muslims' jihad actions led by Salahuddin al-Ayyubi rahimahullah in being able to take the control over Jerusalem. Historically speaking, Jerusalem had ever been controlled by Muslims and it could also be done now.

Rifan Abdul Azis finally said that in order to do so, Muslims needed to be united under a Khalifah.
