The representatives of NU [the largest Islamic community organization in Indonesia] wings have been refused to have a hearing on Trump's Jerusalem move at the American Embassy Jakarta on Friday (8 December).

Feeling disappointed, the general chairman of NU Student Association or IPNU, Asep Irfan Mujahid, said that the US Embassy could have at least issued an official statement.

He also said that all NU representatives as well as those of other Islamic organizations such as KAMMI [Indonesian Muslim Students Action Front], Spirit of Aqsa, and many more, had come to the Embassy with their peaceful actions.

According to him, those who burnt the US flags are expressing their ways of protests.

In the meantime, during the rally, the chairman of Banser, the Youth and Security wings of NU Chapter East Jakarta, delivered his speech, saying that the US should not have even stated that Baitul Maqdis (Al-Quds/ Haram Asy-Syarif) or Jerusalem is the capital of Israel.
