Sinchan tokoh kartun anak yang banyak digemari anak-anak, remaja sampai orang dewasa. Komik crayon sinchan banyak diselipkan adegan-adegan yang dapat dikatakan eksploitasi seks atau menjurus ke perilaku seksualitas yang akan ditiru anak. Oleh karena itu, penulis merasa tertarik akan gambaran perilaku seksualitas pada anak laki-laki berusia 10-11 tahun yang senang menonton dan membaca komik crayon sinchan.

Skripsi ini termasuk penelitian deskriptif kualitatif. Tujuan penelitian ini adalah memperoleh gambaran perilaku seksualitas pada anak laki-laki yang menonton dan membaca dan membaca komik crayon sinchan. Penulis menggunakan metode wawancara dan observasi untuk memperoleh data penelitian. Data wawancara didapat dari beberapa sumber yaitu subjek sendiri, orangtua dan guru. Data wawancara digunakan untuk mendukung hasil observasi subjek.

Berdasarkan data penelitian, didapatkan sebagian besar subjek tidak menirukan perilaku seksualitas yang dilakukan sinchan, kecuali pada subjek Rd yang mempunyai koleksi pribadi kaset CD dan komik crayon sinchan. Sementara, ucapan subjek St “ta ...perkosa kamu nanti”, menjurus ke perilaku seksualitas namun tidak dipengaruhi perilaku seksualitas sinchan melainkan dipengaruhi oleh tayangan berita mengenai perkosaan di televisi.
