Penelitian ini bertujuan untuk 1) mengidentifikasi perkembangan kisah karya kongregasi di Indonesia 1931–2014 dikaitkan semangat Fransiskan hingga sampai rumusan visi misi, 2) menilai kesesuaian visi–misi unit–unit karya pendidikan, asrama, dan pelayanan pastoral dengan visi–misi Kongregasi Suster Misi Fransiskan Santo Antonius, 3) menilai efektivitas program kerja dari unit–unit karya pendidikan, asrama, dan pelayanan pastoral Kongregasi Suster Misi Fransiskan Santo Antonius untuk menjawab kebutuhan aktual umat dan masyarakat yang dilayani. Data dikumpulkan dengan observasi dokumen–dokumen resmi Kongregasi maupun unit–unit karya, kuesioner yang dibagikan kepada penghuni asrama, siswa SMK Kartini, orang tua PAUD, guru, pemimpin Kongregasi SMFA, anggota SMFA, dan awam serta wawancara yang dilakukan dengan pemimpin wilayah pelayanan pastoral yang lain. Teknik analisis data yang digunakan adalah analisis isi, statistika deskriptif penghitungan persentase dan rata–rata, serta analisis inferensial *One Way Anova*. Uji ini digunakan untuk mengetahui ada atau tidaknya perbedaan efektivitas program layanan antar PAUD, asrama, kelas, dan jurusan pada masing–masing unit karya. Jika ada perbedaan, manakah yang lebih efektif. Hasil penelitian adalah: 1. kisah perjalanan hidup dan karya Kongregasi sejak tahun 1931 hingga sekarang mengalami perubahan yang dinamis sesuai perkembangan zaman namun tetap setia pada Spiritualitas Fransiskan; rumusan visi–misi Kongregasi SMFA ternyata sesuai dan dijiwai oleh Spiritualitas Fransiskan. 2. Visi–misi semua unit karya baik di bidang pendidikan (PAUD, SMK, dan asrama) maupun pelayanan pastoral sesuai dan sangat sesuai dengan visi–misi Kongregasi SMFA, tidak ada yang kurang atau cukup sesuai 3. Program–program kerja Kongregasi SMFA di bidang karya pendidikan dan pelayanan pastoral sudah efektif, yaitu mampu memenuhi kebutuhan umat dan masyarakat yang dilayani.

Kata Kunci: Kisah Karya, visi–misi, efektivitas karya

ABSTRACT
THE EVALUTION OF
THE HISTORY OF WORKS, VISION, MISSION,
EDUCATION EFFECTIVITY AND PASTORAL SERVICES
OF SMFA CONGREGATION IN PONTIANAK
(2014-2018)

The aims of this study are to: 1) identify the development of the history congregation works in Indonesia since 1931-2014 related to the Franciscan spirit and to its vision and mission, 2) evaluate the relevance of education vision and mission, dormitories, and pastoral services with the vision and mission of the Congregation of Franciscan Sisters of Saint Anthony, 3) evaluate the effectivity of the work programs of all units, education, dormitories, and the pastoral service of the congregation of Franciscan Sisters of Saint Anthony to respond the demands of the times and the people to be served. The data was obtained by observing the official documents of the congregation as well as the working units, distributing the questionnaires to the dormitorians, Kartini Senior High School students, parents of the Kinder garden students, teachers, the General Superior of the SMFA congregations, SMFA personnels, and the lay people, as well as the interview with the leaders of the pastoral areas. The data analysis technique used in this research was content analysis, percentage estimations statistic descriptive and average, as well as inferensial analysis of one way Anova. The aim of this test is to know whether there is effectivity difference among the Kindergarden service programs, dormitories, classess, and respective majors in each working unit. If there is difference, which one is more effective? The result of the reseacrh shows that: 1) the congregation history since 1931 up to this time experience the dynamic change according to the times in line to the Franciscan charism. Vision and mission pattern of Franciscan Sisters of Saint Anthony are evidently represented and lived by the Fransciscan Sprituality. 2) The vision and mission of all works and units either in education (Kindergarden, Senior high school, and dormitories) or pastoral service are relevant and highly relevant to vision and mission of the congregation, nothing is lacking or appropriate enough. 3) SMFA work programs in educational service and pastoral service was effective. It means that they are able to answer the needs of the people and the society.

Key words: Works History, Vision–Mission, Works effectivity.
