

ABSTRACT

Setiawan. M. A (2016). *Swear Words in 21st Jump Street Movie*. Yogyakarta: Sanata Dharma University.

The presence of taboo words is commonly found in mass-media communication such as TV shows, interviews, movies, and songs. People tend to use taboos to swear since the words can strongly represent their anger, dissatisfaction, and irritation.

This study aims to answer two research problems. The first research question was which types of swear words are used by the main character in 21st Jump Street movie. The second research question was what are the reasons for the main characters of 21st Jump Street to swear.

The researcher conducted this qualitative research using discourse analysis as the method. Specifically, the data used in this research were collected from two hundred and eight pages of 21st Jump Street movie transcription.

The result showed that there were six types of swearing used in 21st Jump Street movie, namely cursing, profanity, blasphemy, taboo or obscenity, insult and slurs and scatology. Moreover, the researcher also found three reasons for swearing in 21st Jump Street movie, namely psychological motives, social motives, and linguistic motives.

Keywords: swear words, 21st Jump Street

ABSTRAK

Setiawan. M. A (2016). *Swear Words in 21st Jump Street Movie*. Yogyakarta: Sanata Dharma University.

Kata-kata yang dahulu tabu untuk diucapkan sekarang sangat umum ditemukan di dalam media massa seperti acara TV, wawancara, film, dan lagu. Orang-orang cenderung untuk menggunakan kata-kata tabu untuk mengumpat karena kata yang ditabukan tersebut dapat mewakili kemarahan, ketidakpuasan, dan kejengkelan yang dirasakan.

Penelitian ini bertujuan untuk menjawab dua rumusan masalah. Pertama, jenis umpatan apa saja yang ditemukan di dalam film 21st Jump Street. Rumusan masalah kedua adalah mengapa para karakter utama di film 21st Jump Street mengumpat.

Dalam melakukan penelitian ini, peneliti menggunakan metode discourse analysis. Data yang diperoleh dalam penelitian berasal dari transkrip film 21st Jump Street yang berjumlah 208 lembar.

Hasil penelitian menunjukkan bahwa ada 6 tipe umpatan yang digunakan di dalam film 21st Jump Street, yaitu cursing, profanity, blasphemy, taboo or obscenity, insult and slurs and scatology. Peneliti juga menemukan ada tiga alasan mengapa para karakter utama dalam film 21st Jump Street mengumpat, yaitu psychological motives, social motives, and linguistic motives.

Kata kunci: swear words, 21st Jump Street
