2019

Penelitian ini bertujuan untuk: (1) mendeskripsikan tingkat kematangan karier siswa kelas XI SMA BOPKRI 2 Yogyakarta tahun ajaran 2019/2020; dan (2) mengidentifikasi item-item pengukuran kematangan karier yang capaian skornya teridentifikasi rendah sebagai dasar penyusunan topik bimbingan karier.

Jenis penelitian ini termasuk penelitian deskriptif kuantitatif. Penelitian dilaksanakan di SMA BOPKRI 2 Yogyakarta. Subyek penelitian adalah siswa kelas XI SMA BOPKRI 2 Yogyakarta tahun ajaran 2019/2020 dan diambil sampel sejumlah 60 siswa. Teknik sampel yang digunakan dalam penelitian ini adalah *simple random sampling*. Pengumpulan data pada penelitian ini menggunakan Kuesioner Kematangan Karier yang berjumlah 55 item. Kuesioner disusun berdasarkan aspek kematangan karier menurut Super (dalam Watkins & Campbell, 2000), yaitu (1) perencanaan karier; (2) eksplorasi karier; (3) pengetahuan tentang membuat keputusan karier; (4) pengetahuan tentang dunia kerja; (5) pengetahuan tentang kelompok pekerjaan yang lebih disukai; dan (6) realisasi keputusan karier. Nilai koefisien reliabilitas instrument menggunakan *Alpha Chronbach (α)* 0,926. Teknik analisis data menggunakan statistik deskriptif dengan kategorisasi sangat sesuai, sesuai, tidak sesuai, dan sangat tidak sesuai.

Hasil penelitian menunjukkan bahwa siswa kelas XI SMA BOPKRI 2 Yogyakarta tahun ajaran 2019/2020 memiliki tingkat kematangan karir sebagai berikut: 9 siswa (15%) memiliki kematangan karier yang sangat tinggi, sebanyak 35 siswa (58,33%) memiliki kematangan karier yang tinggi, sebanyak 16 siswa (26,67%) memiliki kematangan karier yang sedang dan tidak ada siswa yang memiliki kematangan karier rendah dan sangat rendah. Hasil analisis item menunjukkan 5 item (9,09%) memiliki skor rendah sebagai dasar menyusun usulan topik-topik bimbingan. Adapun usulan topik-topik bimbingan yaitu “Mari Kejar Prestasi Setinggi Langit”, Cari Informasi Karier”, “*My Dream My Adventure*”, “Dunia Karier 1” dan “Dunia Karier 2”.

Kata kunci: Kematangan karier, SMA BOPKRI 2, Bimbingan Karier.

ABSTRACT

THE STUDENTS' CAREER MATURITY
*(Descriptive Study on Class XI Students of BOPKRI 2 Senior High School
Yogyakarta Academic Year 2019/2020 and the Implications
On the Proposal of Career Guidance Topics)*

This study was aimed to: (1) describe the level of career maturity of class students of BOPKRI 2 Senior High School Yogyakarta academic year 2019/2020; and (2) identify the items on career maturity that have low score as the basic for the preparation of the proposed topics of career guidance service.

The type of the research was a quantitative descriptive research. The research was conducted at SMA BOPKRI 2 Yogyakarta. The subjects of the study was class XI student at BOPKRI 2 Senior High School Yogyakarta academic year 2019/2020 with sample subject were 60 students. The sampling technique used in this study was simple random sampling. Data collection used in this study was the Career Maturity Questioner which amounts to 55 items. This scale is based on aspects of career maturity according to Super (in Watkins & Campbell, 2000), namely (1) career planning; (2) career exploration; (3) career decision making; (4) world of world information; (5) knowledge of preferred occupational grub; and (6) realization. The value of the instrument reliability coefficient used the Alpha Cronbach (α) of 0,926. The data analysis technique used was descriptive statistics with very appropriate, appropriate, inappropriate, and very inappropriate.

The result of this study indicate that the class XI students of BOPKRI 2 Senior High School Yogyakarta academic year 2019/2020 have career maturity level: 9 students (15%) had a very high level of career maturity, 35 students (53,33%) were in the high category, 16 students (26,67) were in the moderate category and no students had low and very low career maturity. The result analysis showed that 5 items (9,09%) had low scores and become the base for compiling guidance topics. The proposed topics of guidance are "Let's Pursue Achievements as High as the Sky", "Search for Career Information", "My Dream My Adventure", "Career World 1", and "Career World 2".

Keywords: *Career Maturity, BOPKRI 2 Senior High School, Career Guidance*
