

ABSTRAK

Skripsi ini berjudul “**DESKRIPSI DAMPAK SPIRITUALITAS BUNDA MARIA TERHADAP KEDEWASAAN IMAN ANGGOTA LEGIO MARIA DI PAROKI HATI SANTA PERAWAN MARIA TAK BERCELA KUMETIRAN**”. Judul ini dipilih untuk mengetahui dampak spiritualitas Bunda Maria terhadap kedewasaan iman anggota Legio Maria di Paroki Hati Santa Perawan Maria Tak Bercela Kumetiran. Bunda Maria adalah sosok ibu yang luar biasa. Dalam kehidupannya, Bunda Maria selalu mencerminkan sikap beriman yang dilandasi oleh belas kasih ilahi. Inilah spiritualitas Bunda Maria. Spiritualitas Bunda Maria yang dihayati oleh anggota Legio Maria dapat membantu mendewasakan iman dan menggerakkan mereka pada pelayanan dalam kehidupan Gereja dan masyarakat. Persoalan dalam skripsi ini adalah menjawab pertanyaan bagaimana anggota Legio Maria menghayati spiritualitas Bunda Maria dan menemukan dampak bagi pelayanan mereka sebagai wujud kedewasaan iman. Menanggapi persoalan tersebut, penulis melakukan studi pustaka dan penelitian secara langsung di lapangan. Studi pustaka yang digunakan bersumber dari dokumen-dokumen Gereja dan berbagai pandangan dari para ahli yang berkaitan dengan spiritualitas Bunda Maria. Sedangkan penelitian yang digunakan oleh penulis adalah penelitian kualitatif melalui kuesioner dan diperkuat dengan wawancara terhadap anggota Legio Maria. Untuk memperoleh data, penulis memberikan kuesioner kepada 40 responden dan diperkuat dengan mewawancarai 4 anggota Legio Maria. Hasil akhir penelitian menunjukkan bahwa anggota Legio Maria telah menghayati spiritualitas Bunda Maria dengan baik. Para anggota Legio Maria juga menyadari bahwa spiritualitas Bunda Maria berdampak pada kehidupan mereka. Namun masih ada beberapa anggota Legio Maria yang belum terlalu menghayati spiritualitas Bunda Maria. Hal ini disebabkan oleh faktor keluarga ataupun orang lain. Oleh karena itu, penghayatan spiritualitas Bunda Maria masih perlu ditingkatkan lagi demi kedewasaan iman dan pelayanan mereka dalam hidup sehari-hari. Untuk menindaklanjuti hasil penelitian ini, penulis mengusulkan kegiatan katekese sebagai upaya membantu para legioner untuk meningkatkan penghayatan spiritualitas Bunda Maria.

Kata-kata Kunci: Spiritualitas Bunda Maria, kedewasaan iman

ABSTRACT

The title of this thesis is "**DESCRIPTION OF MOTHER MARY'S SPIRITUALITY IMPACTS TOWARD FAITH MATURITY OF LEGIO OF MARY MEMBERS AT PARISH HATI SANTA PERAWAN MARIA TAK BERCELA KUMETIRAN**". The title was chosen in order to know an impact of Mother Mary's spirituality on the faith maturity of Legio of Mary members. Mother Mary is an incredible mother. In her life, Mother Mary is always being faithful which based on a feeling of love. This is a spirituality of Mother Mary. Mother Mary's spirituality is applied by members of Legio of Mary helping them to mature their faith and to move them in servicing Church life and society. The concern of this thesis is that to answer the question: how could the members of Legio of Mary appreciate Mother Mary's spirituality and find an impact for their servicing as a form of faith maturity. The writer did a literature study and a direct research in the location. The literature study was based on Church documents and point of view of the experts about Mother Mary's spirituality. Whereas the research method used by the writer was qualitative research by way of questionnaire and also it was strengthened by an interview with the Legio of Mary members. In order to get the data, the writer gave questionnaires to 40 respondents and it was also strengthened by interviewing 4 members of Legio of Mary. The result of research shows that the members of Legio of Mary are appreciating Mother Mary's spirituality in a good way. The members also realize that Mother Mary's spirituality give an impact to their life. However, there are some members of Legio of Mary who do not fully appreciate Mother Mary's spirituality. This is because of family factor or someone else. Because of that, appreciating Mother Mary's spirituality needs to be improved for their servicing and daily life. In order to continue on the result of this research, the writer is suggesting the catechetical activity as an effort to help the members of Legio of Mary to improve their appreciation of Mother Mary's spirituality.

Keywords: Mother Mary's spirituality, faith maturity
