

ABSTRAK

Judul skripsi **TANGGUNG JAWAB KELUARGA KATOLIK TERHADAP PENDIDIKAN IMAN ANAK DI LINGKUNGAN ST. CRISTOPORUS BUSUR PAROKI KRISTUS RAJA BARONG TONGKOK KUTAI BARAT KALIMANTAN TIMUR** dipilih berdasarkan kesan pribadi penulis bahwa pelaksanaan tanggungjawab keluarga Katolik di lingkungan St. Cristoporus Busur dalam mendidik iman anak masih kurang terutama di daerah pedalaman. Padahal keluarga merupakan sekolah pertama dan utama dalam mendidik iman anak. Maka keluarga-keluarga Katolik lingkungan St. Cristoporus Busur perlu meningkatkan pelaksanaan tanggungjawab dalam mendidik iman anak-anak mereka. Keprihatinan lain yang masih dialami yakni kurangnya waktu bersama dengan anak dikarenakan tuntutan pekerjaan. Sedangkan anak sibuk dengan dunianya sendiri. Kebanyakan orang tua masih menyerahkan pendidikan iman anak kepada pihak lain, seperti guru agama atau Sekolah Minggu.

Persoalan pokok pada skripsi ini bagaimana keluarga Katolik meningkatkan pelaksanaan tanggungjawab mereka dalam mendidik iman anak-anaknya. Dalam rangka menanggapi permasalahan pokok tersebut, penulis melakukan studi pustaka yang bersumber dari Kitab Suci, dokumen-dokumen Gereja, dan juga pandangan para ahli mengenai tanggungjawab keluarga Katolik terhadap pendidikan iman anak. Di samping itu, untuk memperoleh gambaran pelaksanaan tanggungjawab keluarga Katolik terhadap pendidikan iman anak penulis melakukan penelitian dengan cara pengamatan dan penyebaran kuesioner.

Hasil penelitian menunjukkan bahwa pemahaman tentang tanggungjawab keluarga Katolik terhadap pendidikan iman anak di lingkungan St. Cristoporus Busur sudah cukup baik. Hal ini dibuktikan dengan hasil penelitian, namun dalam pelaksanaannya masih perlu ditingkatkan lagi dalam setiap keluarga. Maka untuk menindaklanjuti hasil penelitian tersebut, penulis menawarkan rekoleksi keluarga sebagai usaha untuk meningkatkan pelaksanaan tanggungjawab orang tua agar semakin tergerak hatinya untuk menjadi pendidik iman anak yang utama dan pertama.
