

ABSTRAK

Judul skripsi “**PENGARUH PELAKSANAAN KATEKESE UMAT TERHADAP PERKEMBANGAN IMAN UMAT DEWASA DI LINGKUNGAN FRANSISKUS XAVERIUS GLAGAH PAROKI SANTO YUSUP BINTARAN YOGYAKARTA**”. Judul ini dipilih karena ketertarikan penulis pada Katekese Umat. Katekese Umat yang dilaksanakan oleh umat. Katekese Umat adalah komunikasi iman atau tukar pengalaman iman antar anggota umat. Melalui kesaksian para umat saling membantu sedemikian rupa, sehingga iman masing-masing diteguhkan. Persoalan dalam skripsi ini menjawab pertanyaan bagaimana mengetahui gambaran pelaksanaan Katekese Umat dan pengaruhnya terhadap perkembangan iman umat dewasa serta usaha apa yang bisa dilakukan untuk meningkatkan perkembangan iman mereka. Menanggapi persoalan tersebut, penulis melakukan studi pustaka dan penelitian secara langsung di lapangan. Studi pustaka yang digunakan bersumber dari dokumen-dokumen dan berbagai pandangan dari para ahli yang berkaitan dengan Katekese Umat. Sedangkan penelitian yang digunakan oleh penulis adalah penelitian kualitatif melalui wawancara terhadap umat berdasarkan jabatan dan jenis kelamin. Untuk memperoleh data, penulis memberikan panduan wawancara kepada 10 responden. Pemilihan responden berdasarkan umat dan pengurus lingkungan yang mengetahui sejarah lingkungan serta aktif dalam kegiatan. Hasil akhir penelitian menunjukkan bahwa pelaksanaan Katekese Umat di Lingkungan Fransiskus Xaverius Glagah cukup baik. Umat juga menyadari pengaruh pelaksanaan Katekese Umat pada kehidupan mereka, namun masih ada beberapa umat yang belum sungguh terlibat dalam hidup menggereja. Hal ini disebabkan oleh berbagai macam faktor, seperti kesibukan mereka. Oleh karena itu peran umat masih perlu ditingkatkan lagi demi meningkatkan perkembangan iman secara personal dan bersama. Penulis mengusulkan kegiatan rekoleksi sebagai upaya meningkatkan pelaksanaan Katekese Umat, agar umat lebih memaknai kebersamaan dan mewujudkan Gereja kecil di lingkungan.

Kata-kata kunci: Pengaruh pelaksanaan Katekese Umat, umat dewasa, perkembangan iman.

ABSTRACT

The title of this thesis is “THE INFLUENCE OF CHRISTIANS CATECHESIS IMPLEMENTATION TOWARD ADULT CHRISTIANS’ FAITH DEVELOPMENT AT ST. FRANSISKUS XAVERIUS GLAGAH PARISH SAINT YUSUP BINTARAN”. This title was chosen because of the writer’s interest to the Christians Catechesis. The Christians Catechesis is implemented by the Christians. The Christians Catechesis is a communication of faith or an exchange of experiences in Catholic faith between the Christians. The Christians are helping each other through their confession so that their faith will be stronger. In this thesis, the writer focused on answering a question how to know the description of implementation of Christians Catechesis and also its influence toward development of the adult Christians’ faith including an effort that could be done to increase their faith development. In order to answer the question, the writer did a literature study and a direct research on the location. The literature study that used in this research was based on Church’s documents and also gathered from the experts’ opinion in relation to the Christians Catechesis. Whereas the research method that used in this thesis is a qualitative research, by way of interviewing the Christians based on their social position and gender. In collecting data, the writer gave an interview guideline to 10 respondents. The respondents were chosen from the Christians and Church’s administers who understand the history of Church environment and they were active in Church’s activities. The research’s result shows that an implementation of Christians Catechesis at St. Fransiskus Xaverius Glagah is passable. The Christians understand the influence of implementing Christians Catechesis for their life. However, there are some people who do not want to be involved in living the Church. This situation is affected by many factors, such as their job activities. Therefore, the Christians involvement have to be reminded again to develop their faith personally and also in togetherness. The writer suggests doing a recollection activity as an effort to increase the implementation of Christians Catechesis in order that the Christians is having a good comprehension of togetherness and actualizing a definition of the little Church in the middle of society.
