Subject: LEARN Journal Review Result

Dear Authors

Thank you for the submitted manuscript. The editor's decision is "Resubmit with major revision" despite the fact that one of the reviewers' decision is "accept with minor revision". Please revise the manuscript based on the reviewers' feedback and submit a revised version as well as a table summarizing all the changes you have made in accordance with the reviewers' comments. Also, please make sure that the revised paper has been thoroughly edited by a native speaker of English otherwise its publication might be rejected.

The deadline for resubmission is September 1, 2019 and it will be published online (in case no further revision is required) in January 2020.

Best regards
