

ABSTRAK

Skripsi ini berjudul **GEREJA MUDA BAGI ORANG MUDA KATOLIK PERANTAU DI PAROKI ST. MARIA ASSUMPTA BABARSARI, YOGYAKARTA**. Penulis memilih judul skripsi ini berdasarkan situasi yang dihadapi Paroki St. Maria Assumpta. OMK di Paroki St. Maria Assumpta adalah para mahasiswa perantau yang kuliah di berbagai Perguruan Tinggi di wilayah Babarsari. Hal ini menjadikan keberagaman OMK di Paroki St. Maria Assumpta berbeda dari paroki lain. Pertanyaan-pertanyaan dalam skripsi ini adalah sebagai berikut: Apakah Paroki St. Maria Assumpta sebagai Gereja muda sudah menjangkau OMK perantau dan OMK setempat? Apakah Paroki St. Maria Assumpta sebagai Gereja muda setiap tahunnya ada regenerasi baru OMK perantau dan OMK setempat yang melibatkan dalam hidup menggereja? Apakah program yang relevan dan memotivasi OMK perantau dan OMK setempat berperan aktif dalam hidup menggereja? Penelitian ini menggunakan metode kualitatif deskriptif. Subjek penelitian adalah OMK perantau di Paroki St. Maria Assumpta. Pengumpulan data dilakukan melalui wawancara semiterstruktur sebanyak 17 informan, observasi partisipatif dan studi dokumen. Sejak Paroki St. Maria Assumpta didirikan pada 20 September 2009, OMK menjadi arah pastoral dengan melibatkan OMK perantau dan OMK setempat dalam hidup menggereja. Berdasarkan hasil penelitian, penulis mengusulkan kegiatan yang mempertemukan OMK perantau dan OMK setempat, sehingga mereka saling mengenal dan saling berkolaborasi dalam hidup menggereja. Kolaborasi OMK perantau dan OMK setempat diharapkan dapat meningkatkan peran serta OMK dalam hidup menggereja dan di masyarakat sebagai Gereja masa kini Allah.

ABSTRACT

*This thesis is entitled **THE YOUNG CHURCH FOR THE NON-LOCAL CATHOLIC YOUTH IN ST. MARY ASSUMPTA BABARSARI PARISH, YOGYAKARTA**. The author chooses this title based on the issue faced by St. Mary Assumpta Parish in carrying out her role as the Young Church for the non-local youth. The Catholic Youth in St. Mary Assumpta Parish is dominated by the non-local youth who attend the various universities in Babarsari area. This ecclesial setting brings up the diversity to St. Mary Assumpta Parish which distinguishes her from other parishes. The problem in this thesis is as follow How does St. Mary Assumpta Parish manage, to reach out to the non-local youth and the local ones to collaborate with each other in the church activities. This reseader uses descriptive qualitative method with the non-local Catholic Youth who are involved in community service in St. Mary Assumpta Parish as the subject. The author collects the data by doing semi-structured interview, participatory observation, and literature studies. The result of the research shows that St. Mary Assumpta Parish has done well her role as the Young Church for the non-local youth. Even since the parish was built 20th September 2009, the non-local youth has been put as the addressee the parish. The parish gives herself to accommodate the needs the by youth and involves them in the church activities. Their involvement has brought out the young spirit to the parish. Nevertheless, the non-local youth still feel less greeted and acknowledged by the local youth. Based on the result of the research, the author proposes some programs to be held, to bring the non-local youth and the local ones together, so that they can know each other and collaborate one to another. Catholic Youth is the present church of God who enriches the church. Thus, the good collaboration of non-local youth and the local ones hopefully will empower their involvement in the church activities.*
