Nowadays, English is a very important language. It is not only for students in schools but also for novices from the Sisters of St. Francis of the Martyr St. George, Congregation (FSGM). This congregation has many books written in English such as Prayer Book, the Founder's Spirit, the History of Congregation, the Constitution, and so on. Therefore, FSGM sisters have to be able to learn and understand those books since they are in Novitiate. To respond to the novices' needs in English learning, the writer designs a set of authentic reading materials for novices.

There are two research questions in this study. They are (1) How is a set of authentic reading materials for novices in the FSGM congregation designed? (2) What does the designed set of authentic reading materials look like?

The method of this study was Research and Development. In order to answer the first question the writer used the five steps of the R&D cycle. The steps that the writer used were (1) Research and Information Collecting, (2) Planning, (3) Developing of the Preliminary form of Product, (4) Preliminary Field Testing, and (5) Main Product Revision.

In order to answer the second question, the writer designed a set of authentic reading materials for novices in FSGM Congregation by adapting Taba's and Kemp's instructional design models. There were eight steps; (1) Analyzing Learner Needs, (2) Identifying the Topic, (3) Formulating Performance Objectives, (4) Selecting the content, (5) Designing the materials, (6) Selecting equipment of learning, (7) Determining What and How to do the Evaluation, and (8) Revising the Designed materials. After doing the evaluation and revision on the designed materials, the writer presented a set of authentic reading materials which consisted of four units, namely: (1) Describing People and Place, (2) History of Mother Anselma's Vocation, (3) The Lord Calls Samuel, and (4) How to make Food and Drink.

ABSTRAK

Pascoela, Mariana (Sr.M.Vianet FSGM). (2020). *A set of authentic reading materials for novices in FSGM congregation*. Yogyakarta: English Language Education Study Program, Faculty of Teachers Training and Education, Sanata Dharma University.

Saat ini, Bahasa Inggris adalah bahasa yang sangat penting. Bahasa Inggris tidak hanya untuk para peserta didik di sekolah tetapi dipelajari juga oleh para novis di Kongregasi Suster- Suster Fransiskan dari St.Georgius Martir (FSGM). Kongregasi ini memiliki banyak buku yang ditulis dalam bahasa Inggris, misalnya buku Doa Harian, Sejarah Kongregasi, Spiritualitas Pendiri, Konstitusi dan sebagainya. Oleh karena itu, sebagai suster FSGM, harus mampu belajar dan memahami buku-buku tersebut sejak mereka berada di Novisiat. Untuk menjawab kebutuhan para novis dalam belajar bahasa Inggris, penulis mendesain satu set materi *authentic reading*.

Ada dua rumusan masalah dalam penelitian ini yakni. 1) Bagaimana materi *authentic reading* untuk para novis FSGM didesain? 2) Seperti apa materi *authentic reading* itu?

Metode penelitian yang digunakan adalah Research and Development. Untuk menjawab rumusan masalah pertama penulis menggunakan lima langkah dari Research & Development. Lima langkah yang digunakan oleh penulis yakni: (1) Research and Information collecting, (2) Planning, (3) Developing of the Preliminary form of Product, (4) Preliminary Field Testing, (5) dan Main Product Revision.

Untuk menjawab rumusan masalah kedua, penulis mendesain satu set materi *authentic reading* untuk para suster novis FSGM dengan menyesuaikan model instructional desain menurut Taba dan Kemp, yakni: (1) Analyzing Learner Needs, (2) Identifying Topic, (3) Formulating Performance Objectives, (4) Selecting of Content, (5) Designing Materials, (6) Selecting Equipment of Learning, (7) Determining What and How to do the Evaluation, and (8) Revising the Materials Designed.

Setelah melakukan evaluasi dan revisi atas materi yang didesain, penulis menampilkan satu set materi *authentic reading* yang terdiri dari empat unit, yaitu (1) Describing People and Place, (2) History of Mother Anselma's Vocation, (3) The Lord Calls Samuel, dan (4) How to make Food and Drink.
