Dear Mr Bayu Wicaksono,

I'm so sorry for being unable to open this link. I don't know why I've been trying to login and I'm sure I have input my username and password correctly, yet I could not login. Then I reset the password twice and tried to login again, but still failed.

I hope you would not mind if I send the revision and turnitin result of my paper through this e-mail while I keep trying to login to the OJS. I hope the files are still accepted.

Thank you very much for your kind help.

Sincerely,

Rina Astuti Purnamaningwulan
