

ABSTRAK

Skripsi S-1 berjudul “**MEMBANGUN PERSAUDARAAN DI ANTARA ORANG MUDA KATOLIK MELALUI KEGIATAN BAKTI SOSIAL GEREJA PADA MASA PANDEMI COVID-19 PAROKI SANTO ANTONIUS PADUA KOTABARU YOGYAKARTA**”. Penulis memilih judul ini berdasarkan keprihatinan terhadap Orang Muda Katolik yang sulit untuk membangun persaudaraan selama masa Pandemi *Covid-19*. Hal ini terlihat dari kesulitan mereka untuk menyelenggarakan berbagai kegiatan menggereja. Pada masa Pandemi *Covid-19*, Orang Muda Katolik harus tetap menjaga jarak dan mengurangi kegiatan-kegiatan untuk berkumpul bersama. Berdasarkan masalah tersebut, penulis merumuskan pertanyaan-pertanyaan penelitian sebagai berikut. Bagaimana Orang Muda Katolik Paroki St. Antonius Padua Kotabaru membangun persaudaraan pada masa pandemi? Apakah Orang Muda Katolik Paroki St. Antonius Padua Kotabaru sudah membangun persaudaraan? Penulis menerapkan metode penelitian kualitatif dengan wawancara terhadap para narasumber. Pada masa Pandemi *Covid-19*, Orang Muda Katolik membangun persaudaraan dengan cara melakukan kegiatan bakti sosial Gereja membantu sesama di Kalimantan dan Nusa Tenggara Timur yang mengalami bencana alam, menjadi panitia dalam Natal dan Paskah, dan berkumpul untuk membagikan pengalaman mereka. Pengalaman berbagi dapat membangun persaudaraan dan dapat merasakan penderitaan orang lain. Pada masa Pandemi *Covid-19*, Orang Muda Katolik menyadari faktor-faktor yang menghambat persaudaraan. Salah satu faktor ialah keegoisan dan kurang mendengar pendapat. Orang Muda Katolik sebagian besar sudah membangun persaudaraan di lingkungan Gereja dan masyarakat. Kegiatan bakti sosial Gereja mengumpulkan orang-orang yang peduli dengan lingkungan sekitarnya dan mempunyai rasa empati yang dapat membangun persaudaraan. Orang Muda Katolik Paroki St. Antonius Padua Kotabaru sudah memahami arti kata “persaudaraan”. Persaudaraan merupakan hubungan satu sama lain yang terjalin erat tanpa harus melihat latar belakang. Berdasarkan hasil penelitian, penulis mengusulkan aksi nyata berbagi makanan bagi sesama yang membutuhkan. Dengan berbagi makanan, Orang Muda Katolik Paroki St. Antonius Padua Kotabaru dapat lebih mempererat persaudaraan. Penulis mengharapkan agar penulisan skripsi ini dapat membantu Orang Muda Katolik agar tetap mempertahankan persaudaraan pada masa Pandemi *Covid-19*.

ABSTRACT

This undergraduate thesis is entitled "BUILDING FRATERNITY BETWEEN CATHOLIC YOUTH THROUGH CHURCH'S SOCIAL SERVICE ACTIVITIES DURING THE COVID-19 PANDEMIC AT ST. ANTHONY OF PADUA CHURCH, KOTABARU YOGYAKARTA". The author chose this title based on concern for Catholic Young People who find it challenging to build brotherhood during the Covid-19 Pandemic. This challenge is evident from their difficulty in organizing various church activities. During the Covid-19 Pandemic, Catholic Young People must keep their distance and reduce activities to gather together. Based on these problems, the authors formulate research questions as follows. How the Young Catholics of the Parish of St. Antonius Padua Kotabaru building fraternity during the pandemic? Are the Young Catholics of the Parish of St. Antonius Padua Kotabaru has built a fraternity? The author applies qualitative research methods by interviewing the informants. During the Covid-19 Pandemic, young Catholics built fraternity by carrying out Church social service activities to help people in Kalimantan and East Nusa Tenggara, who experienced natural disasters, became committee members at Christmas and Easter celebrations gathered to share their experiences. Sharing experiences can build brotherhood and can feel the suffering of others. During the Covid-19 Pandemic, Young Catholics are aware of the factors that hinder fraternity. One of the factors is selfishness and lack of listening. Most of the young Catholics have built fraternity within the Church and society. The Church's social service activities gather people who care about their surroundings and have a sense of empathy to build fraternity. St. Parish Catholic Youth Antonius Padua Kotabaru already understands the meaning of the word "fraternity." Fraternity is a relationship with one another that is closely intertwined regardless of background. Based on the study results, the author proposes concrete actions to share food for others in need. By sharing a meal, St. Parish Catholic Youth Antonius Padua Kotabaru can further strengthen the fraternity. The author hopes that writing this thesis can help young Catholics to maintain fraternity during the Covid-19 Pandemic.
