

ABSTRACT

Makalingga, D. A. (2021). *Analysis of Moral Message on Three Main Characters and Implicit Meaning in Schindler's List Movie*. Yogyakarta: Universitas Sanata Dharma.

Schindler's List is one of the most popular epic drama films depicting the story of World War II. Films directed by Steven Spielberg this adapted from the novel by Thomas Keneally entitled Schindler's Ark. Schindler's List tells the story of Oskar Schindler who takes advantage of circumstances to build a factory that produces tableware with the sole purpose of raising money. How a hero emerged who initially only pursued his own interests ended up risking all the money he had to save thousands of Jews. The message tucked into the last aspect. Behind all the stories from the film Schindler's List there is a moral message inserted, especially from the three main characters in the film.

The questions in this study are (1)What is the moral message found from the three main characters in the film Schindler's list? (2) What is the implied meaning of the film Schindler's List?.

The method or approach in this study in question 1 uses moral theory, while for question 2 using the method of characterization and implicit meaning theory.

The results showed: (1) the moral messages found from the three main characters in the film Schindler's list can be seen from Oskar Schindler who initially only wanted to make profit by taking advantage of the circumstances by the Jews in the end spent all the money he collected to save the Jews. However, in order to do good there is no need to look at racial differences. It is enough to be human to understand the pain caused by war. Itzhak Stern's character has strong principles. Itzhak did not hesitate to refuse the offer of his superior. Itzhak teaches that being yourself is very important. Amon Goeth's character is an antagonist character who doesn't seem to appreciate the meaning of life. However, some scenes show a change in Goeth's attitude, which easily kills the Jews, changing his perspective after being lectured by Schindler not to use force to kill. Goeth teaches that even if a person is evil, there is still good in him. (2) However, some scenes show a change in Goeth's attitude, which easily kills the Jews, changing his perspective after being lectured by Schindler not to use force to kill. Goeth teaches that even if a person is evil, there is still good in him. (2) However, some scenes show a change in Goeth's attitude, which easily kills the Jews, changing his perspective after being lectured by Schindler not to use force to kill. Goeth teaches that even if a person is evil, there is still good in him. (2) the implied meaning of the film Schindler's List provides a depiction of the suffering of people who are victims of war. From this film we can see that there is still hope from every disaster. The struggle of Schindler and Itzhak teaches to try even though it looks impossible, but if you want to try sincerely then success will become something possible.

Keywords: Schindler's List, film, Moral Message, Implicit Meaning.

ABSTRAK

Makalingga, D. A. (2021). *Analysis of The Moral Message on The Three Main Characters and Implicit Meaning in Schindler's List Movie*. Yogyakarta: Universitas Sanata Dharma.

Schindler's List merupakan salah satu film drama epik terpopuler yang menggambarkan kisah pada perang Dunia II. Film yang di sutradari oleh Steven Spielberg ini di adaptasi dari novel karya Thomas Keneally yang berjudul Schindler's Ark. Schindler's List menceritakan tentang kisah Oskar Schindleryang memanfaatkan keadaan untuk membangun pabrik yang memproduksi peralatan makan dengan tujuan semata-mata untuk mengumpulkan uang. Untuk mengelola pabrik tersebut, Schindler memilih Itzhak Stern yang berprofesi sebagai seorang akuntan. Bagaimana seorang pahlawan muncul yang awalnya hanya mengejar kepentingan sendiri akhirnya mempertaruhkan semua uang yang dia punya untuk menyelamatkan ribuan kaum Yahudi. Di balik semua cerita dari film Schindler's List ada pesan moral yang diselipkan terutama dari tiga karakter utama dalam filmtersebut.

Pertanyaan dalam penelitian ini adalah (1) Apa pesan moral yang ditemukan dari ketiga karakter utama dalam film Schindler's list? (2) Apa makna tersirat dari film Schindler's List?

Metode atau pendekatan dalam penelitian ini pada pertanyaan 1 menggunakan moral theory, sementara untuk pertanyaan 2 menggunakan metode characterization dan implicit meaning theory.

Hasil penelitian menunjukkan : (1) pesan moral yang ditemukan dari ketiga karakter utama dalam film Schindler's list dapat dilihat dari Oskar Schindler yang awalnya hanya ingin mencari keuntungan dengan memanfaatkan keadaan yang dialami oleh kaum Yahudi pada akhirnya menghabiskan semua uang yang dia kumpulkan untuk menyelamatkan kaum Yahudi. Karena untuk melakukan hal yang baik, tidak perlu melihat perbedaan ras dan perbedaan. Cukup memahami alobat dari perang dunia. Karakter Itzhak Stern yang memiliki prinsip yang kuat. Itzhak mengajarkan bahwa menjadi diri sendiri itu sangat penting.Karakter Amon Goeth merupakan karakter antagonis yang kelihatan sangat tidak menghargai arti dari sebuah nyawa. Namun pada beberapa adegan diperlihatkan perubahan dari sikap Goeth yang dengan mudahnya membunuh para kaum Yahudi merubah cara pandangnya setelah diceramahi Schindler agar tidak menggunakan kekuatan untuk membunuh. Goeth mengajarkan bahwa dalam diri orang yang jahat sekalipun tetaplah tersimpan kebaikan didalamnya. (2) makna tersirat dari film Schindler's List memberikan penggambaran penderitaan orang-orang yang menjadi korban perang. Dari film ini kita bisa melihat bahwa masih ada harapan dari setiap bencana.

Kata kunci: Schindler's List, film, Moral Message, Implicit Meaning.
