This study aimed to determine the accountability of financial management in the Saving and Loan Association (UBSP) Babinsare. The data of this study were obtained through interviews with informants at UBSP Babinsare, namely: Head of UBSP Babinsare, Treasurer of UBSP Babinsare, Supervisory Board of UBSP Babinsare, Assistant of UBSP Babinsare, and Head of Bad Credit Team UBSP Babinsare. Apart from being obtained through interviews, the research data were also obtained through internal documents of UBSP Babinsare, such as the profile document of UBSP Babinsare and the document of Annual Member Meeting (RAT) of UBSP Babinsare. This study applied the data analysis technique proposed by Miles and Huberman, which was by: (1) data reduction, (2) data presentation, (3) drawing conclusions.

The results of the study showed that UBSP Babinsare has implemented accountability dimensions which include legal and honesty accountability; seen from the formation of supervisory bodies and accountability reports, managerial accountability; seen from the flow of simple work instructions, program accountability; seen from the programs carried out by every sector in UBSP Babinsare, policy accountability; seen from the rules applied, and financial accountability; seen from a more simplified financial administration system. These dimensions will be accounted for by the management and supervisory bodies in the Annual Member Meeting (RAT) in front of all members of UBSP Babinsare openly.
