Tujuan penelitian ini adalah untuk (1) mengembangkan desain LKS, (2) mengetahui hasil penilaian ahli materi dan ahli media, (3) mengetahui hasil penilaian siswa.

Jenis Penelitian ini adalah penelitian pengembangan (*research and development*) yang menggunakan metode pengembangan. Subyek penelitian adalah ahli materi, ahli media, 31 siswa kelas XI IPS di SMA Negeri 1 Mlati. Data dikumpulkan melalui kuesioner dan wawancara. Analisis data menggunakan analisis deskriptif.

Hasil penelitian menunjukkan LKS layak digunakan sebagai media pembelajaran. Hal ini ditunjukkan dengan : (1) Pengembangan desain LKS menggunakan aplikasi *Microsoft office Word 2007* sudah memenuhi persyaratan yang ditentukan yaitu dengan menentukan judul, sub judul, standar kompetensi, kompetensi dasar, indikator, alokasi waktu, penyajian materi dan penyajian uji kompetensi. (2) Penilaian 2 ahli materi aspek pembelajaran diperoleh rata-rata skor 4,3 tergolong “Sangat Baik”, aspek isi diperoleh rata-rata skor 3,83 tergolong “Baik” dan penilaian 2 ahli media aspek penyajian tulisan dan gambar diperoleh rata-rata skor 3,82 tergolong “Baik”. (3) Penilaian kelompok kecil diperoleh rata-rata skor 4,16 tergolong “Baik”, penilaian kelompok besar rata-rata skor 4,7 tergolong “Sangat Baik”.

ABSTRACT

**DEVELOPMENT OF STUDENT WORKSHEET TO HELP STUDENTS OF
MLATI 1 STATE SENIOR HIGH SCHOOL IN LEARNING HISTORY
MEANINGFUL THROUGH IN LEARNING MATERIAL
ACCULTURATION OF LOCAL CULTURAL AND HINDU-BUDDHA IN
INDONESIA**
