

## ABSTRAK

Judul skripsi **PENGHAYATAN IMAN ORANG MUDA KATOLIK (OMK) DI LINGKUNGAN ST. AGUSTINUS DUWET PAROKI ST. MARIA ASSUMPTA KLATEN PADA MASA PANDEMI**. Penulis memilihnya berdasarkan ketertarikannya pada pemuda Katolik di Lingkungan St. Agustinus Duwet yang menjalani iman mereka selama pandemi. Berbagai kegiatan gereja yang sebelumnya dilakukan di lokasi terpaksa dihentikan demi keselamatan bersama guna menekan penyebaran Covid-19. Paroki membatalkan kegiatan ibadah tatap muka dan menggantinya dengan ibadah online. Umat Katolik sedang beradaptasi dengan kebiasaan baru dari *offline* ke *online*. Jemaat mengikuti Ekaristi di rumah melalui *streaming YouTube* dan tidak dapat menerima Tubuh Kristus secara langsung. Meski anak muda sudah akrab dengan dunia digital, mereka tetap merasa khawatir dengan fenomena baru ini. Bagaimana kelompok pemuda Katolik St Agustinus Duwet menjalani iman mereka selama pandemi? Apa masalah yang mereka hadapi selama pandemi? Penulis menggunakan metode penelitian deskriptif kualitatif. Pada awal penelitian penulis melakukan observasi dan studi dokumen kemudian langsung menuju ke lokasi untuk melakukan penelitian. Penulis melakukan wawancara mendalam dengan 10 Orang Muda Katolik dan memperkaya temuan dengan wawancara triangulasi yaitu Ketua Pemuda Katolik St Agustinus Duwet, Ketua Lingkungan dan Romo Stasi. Hasil penelitian menunjukkan bahwa kelompok pemuda Katolik St. Agustinus Duwet memiliki berbagai makna dan cara menghayati iman contohnya dengan berdoa bersama keluarga dan membantu saudara yang terkena covid. Setiap individu umat Katolik dapat belajar menemukan pendalaman imannya melalui suatu peristiwa dalam kehidupan sehari-hari. Orang muda juga memanfaatkan media digital seperti *instagram* dan aplikasi e-katolik. Pandemi telah secara signifikan mengubah kebiasaan lama menjadi kebiasaan baru. Penulis mengusulkan kegiatan pendalaman iman untuk kembali menemukan iman kepercayaannya. Berbagai pengalaman, dan membangun hubungan erat antar pemuda Katolik.

Kata Kunci: Pandemi Covid-19, kelompok pemuda Katolik, kehidupan iman, penghayatan iman.

## ABSTRACT

*The undergraduate thesis is entitled **LIVING FAITH AMONG CATHOLIC YOUTH GROUP IN ST. AUGUSTINE DUWET DISTRICT ST. MARY OF THE ASSUMPTION KLATEN DURING PANDEMIC TIMES**. The author chose it based on her interest in Catholic youth at St. Augustine Duwet district living their faith during the pandemic. Various Church activities previously carried in the site had to be stopped for mutual safety to reduce the spread of Covid-19. Parish cancelled face-to-face worship activities and replaced them with online worship. Catholics are adapting to the new custom from offline to online. Parishioners follow the Eucharist at home via YouTube streaming and cannot receive the Body of Christ in person. Even though young people are familiar with the digital world, they still feel worried about this new event. How does St. Augustine Duwet Catholic youth group live their faith during the pandemic? What are the problems that they face during the pandemic? The author applies a descriptive qualitative research method. At the beginning of the study, the author conducted observations and document studies and then went directly to the location to conduct research. The author conducted in-depth interviews with 10 Catholic Young People and enriched the findings with triangulation interviews, namely the Chair of St. Augustine Duwet Catholic youth, the Chair of the Catholic district and the Priest in charge of the local community. The study results show that St. Augustine Duwet Catholic youth group has various meanings and ways to live faith, for example by praying with family and helping relatives affected by covid. Every individual Catholic can learn to find the deepening of his faith through an event in everyday life. Young people also take advantage of digital media such as Instagram and e-Catholic applications. The pandemic has significantly changed old habits into new ones. The author proposes deepening of faith activities to re-discover his faith. Sharing experiences, and building close relationships among Catholic youth.*

*Keywords: Pandemic Covid-19, Catholic youth group, the life of faith, the depth of faith*
