This research aimed to describe and analyse three primary issues such as: (1) The circumstances leading to the founding of Catholic Church of Saint John Mary Vianney, Maubesi; (2) The development of Catholic Church of Saint John Mary Vianney, Maubesi; (3) The role of Catholic Church of Saint John Mary Vianney, Maubesi

The method employed in this research was that of the historical method research consisting of the following stages: topic selection, heuristic, references gathering, verification, source criticism, interpretation and historiography (historical accounts). Whereas the approach used was the historical and social approach with a descriptive analysis writing.

The results of this research indicated that (1) The founding of Catholic Church of Saint John Mary Vianney, Maubesi was greatly due to the arrival of two missionaries namely Father Petrus Noyen, SVD and Father Verstaellen, SVD in Maubesi in 1913. (2) The development of Catholic Church of Saint John Mary Vianney Maubesi starting from the service of the sacrament of baptism in the year of 1918. (3) The presence of Catholic Church of Saint John Mary Vianney, Maubesi helped cultivate the faith and improve the human resource as well as the natural resource of the locals in Maubesi parish.
