

ABSTRAK

Judul Skripsi ini: **PERANAN PERAYAAN EKARISTI ONLINE TERHADAP KARYA PELAYANAN (DIAKONIA) MAHASISWA PROGRAM STUDI PENDIDIKAN KEAGAMAAN KATOLIK ANGGARAN 2019 UNIVERSITAS SANATA DHARMA YOGYAKARTA DI MASA PANDEMI COVID-19**. Judul ini lahir dari rasa keprihatinan penulis selama masa pandemi Covid-19 yang menghambat semua aktivitas manusia termasuk perayaan Ekaristi. Skripsi ini bertujuan untuk mengetahui pemahaman mahasiswa PENDIKKAT angkatan 2019 terhadap perayaan Ekaristi online dan bagaimana keterlibatan mereka dalam karya pelayanan (*Diakonia*) serta peranan antara perayaan Ekaristi online terhadap keterlibatan mahasiswa dalam karya pelayanan (*Diakonia*). Oleh karena itu, penulis merumuskan dua fokus permasalahan yang akan dijawab dalam penelitian ini yaitu: (1) Bagaimana peranan Ekaristi online terhadap karya pelayanan Gereja (*Diakonia*) mahasiswa PENDIKKAT angkatan 2019 di masa pandemi. (2) Bagaimana bentuk keterlibatan mahasiswa PENDIKKAT angkatan 2019 dalam mewujudkan tugas pelayanan Gereja (*Diakonia*) selama masa pandemi. Untuk menjawab dua permasalahan pokok ini, penulis melakukan kegiatan wawancara terstruktur kepada mahasiswa PENDIKKAT angkatan 2019, ketua lingkungan dan beberapa mahasiswa PENDIKKAT atau keluarga yang tinggal bersama dengan mahasiswa PENDIKKAT angkatan 2019. Penulisan skripsi ini dibantu dengan metode penelitian kualitatif melalui kegiatan wawancara terstruktur dan kegiatan observasi langsung. Semua hasil yang diperoleh divalidasi dengan teknik triangulasi sumber, yakni wawancara dan observasi. Berdasarkan hasil data yang diperoleh, penulis menyimpulkan bahwa perayaan Ekaristi online ini mampu dimaknai dengan baik oleh mahasiswa PENDIKKAT angkatan 2019 dan dapat menggerakkan mereka dalam karya pelayanan. Meskipun beberapa di antara mereka ada yang masih merasa belum bisa menjawab kerinduan hatinya secara keseluruhan.

ABSTRACT

*The Title of the thesis: **THE ROLE OF ONLINE EUCHARIST CELEBRATION ON THE MINISTRY WORK (DIAKONIA) OF THE BATCH 2019 STUDENTS OF THE CATHOLIC RELIGIOUS EDUCATION STUDY PROGRAM SANATA DHARMA UNIVERSITY, YOGYAKARTA DURING THE COVID-19 PANDEMIC.** This title was emerged from the researcher's concern during the Covid-19 pandemic which hampered all human activities, including the celebration of the Eucharist. This thesis aims to find out the understanding of batch 2019 Catholic Religious Education students regarding online Eucharistic celebrations and how they are involved in ministry work (Diakonia), as well as the role of online Eucharistic celebrations on student involvement in ministry work. Therefore, the researcher formulated two focus problems that will be answered in this study, namely: (1) What is the role of the online Eucharist in the ministry of the Church of the batch 2019 Catholic Religious Education students during the pandemic. (2) What is the form of involvement of the batch 2019 Catholic Religious Education students in realizing Church ministry works during the pandemic. To answer these two main problems, the researcher conducted structured interviews with the batch 2019 Catholic Religious Education students, the head of the ward and several Catholic Religious Education students or families living with the batch 2019 Catholic Religious Education students. The writing of this thesis was made using qualitative research methods through structured interviews and direct observation. All the results obtained were validated by triangulation techniques, namely interviews and observations. Based on the results of the data obtained, the authors conclude that this online Eucharistic celebration can be interpreted well by batch 2019 Catholic Religious Education students and can move them in ministry work. Although, some of them still feel unable to answer the longing of their heart as a whole.*
