# About

**Perspectives in the Arts and Humanities Asia** is a peer reviewed journal published twice a year by the School of Humanities of the Ateneo de Manila University, Loyola Heights, Quezon City, Philippines.

Multidisciplinary in scope, it welcomes articles in English or Filipino in the following fields: literature, philosophy, theology, performance arts, visual arts, forms of media and other related areas, especially studies engaging Philippine and Asian experience. Interdisciplinary in approach, it seeks to shed light on issues related to culture and identity articulated in various primary texts.
