Penelitian penulisan tugas akhir ini di latarbelakangi oleh keprihatinan penulis terhadap sedikitnya umat yang mengikuti kegiatan menggereja di Paroki Boro, seperti saat diadakan kegiatan doa-doa devosi di tempat peziarahan. Oleh karena itu penulis berusaha untuk melakukan penelitian dan mencari bentuk-bentuk devosi yang sering dilakukan oleh mereka. Serta mengetahui sejauh mana pemahaman umat tentang devosi kepada Bunda Maria. Sehingga dapat mengetahui pemahaman umat mengenai devosi kepada Bunda Maria bagi perkembangan hidup beriman umat di Paroki Santa Theresia Lisieux Boro.

Penulis memilih Paroki Santa Theresia Lisieux Boro sebagai tempat pelaksanaan penelitian karena penulis merupakan umat di paroki tersebut dan ingin mengetahui sejauh mana umat memahami dan mengerti makna devosi kepada Bunda Maria.

Jenis penelitian yang digunakan yaitu penelitian kualitatif deskriptif dengan pendekatan fenomenologi. Sehingga hasil dari penelitian berupa paragraph. Oleh karena itu data yang diperoleh dalam penelitian ini melalui observasi, wawancara, studi dokumen dan dokumentasi.

Hasil dari penelitian ini: bahwa umat di Paroki Santa Theresia Lisieux Boro menganggap bahwa devosi kepada Bunda Maria banyak berperan dalam kehidupan pribadi umat. Sehingga segala bentuk devosi yang dilakukan sungguh dapat membuahkan berkat bagi setiap orang yang mendoakannya.

The background of writing this thesis is the author's concern about the small number of people participating in church activities at Boro Parish, such as when devotional prayers are held at the shrine. Therefore, the writer tries to do research and find the forms of devotion that are often done by them. As well as knowing the extent of people's understanding of devotion to the Virgin Mary. So that people can find out the understanding of the people regarding devotion to the Virgin Mary for the development of the faithful life of the people in the Parish of Santa Theresia Lisieux Boro.

The writer chose Santa Theresia Lisieux Boro Parish as the place to carry out the research because the writer is a parishioner in that parish and wants to know how far the parishioners understand and understand the meaning of devotion to the Virgin Mary.

The type of research used is descriptive qualitative research with a phenomenological approach. So that the results of the research are in the form of paragraphs. Therefore the data obtained in this study through observation, interviews, study of documents and documentation.

The results of this study: that the parishioners of Santa Theresia Lisieux Boro Parish consider that devotion to the Virgin Mary has many roles in the personal lives of the parishioners. So that all forms of devotion that are carried out can truly produce blessings for everyone who prays for them.
