ABSTRACT

**THE EFFECT OF DIGITAL MARKETING, CONSUMPTIVE LIFESTYLE
AND WORD OF MOUTH (WOM) ON THE REPURCHASE INTEREST
OF THE MILLENNIAL GENERATION WITH CUSTOMER
SATISFACTION AS A MEDIATION VARIABLE**

A study on Yogyakarta USD Students Consumer of Scarlett Whitening Products

Elisabet Setom

Sanata Dharma University

Yogyakarta

2023

This study aims to determine: (1) the direct effect of digital marketing on repurchase intention, (2) the direct effect of consumptive lifestyle on repurchase intention, (3) the direct effect of word of mouth on repurchase intention, (4) the effect of digital marketing on repurchase intention mediated by consumer satisfaction, (5) the effect of consumptive lifestyle on repurchase intention mediated by consumer satisfaction, (6) the influence of word of mouth on repurchase intention mediated by consumer satisfaction. The sampling technique uses non-probability sampling. Data was obtained by distributing questionnaires about digital marketing, consumptive lifestyle, word of mouth, consumer satisfaction, and repurchase intention to 100 students of Sanata Dharma University consumers of Scarlett Whitening. Data analysis uses Partial Least Square and uses SmartPLS 3.0. The results of the study show that: (1) digital marketing directly has a positive effect on repurchase intention, (2) consumptive lifestyle directly did not have a positive effect on repurchase intention, (3) word of mouth directly has a positive effect on purchase intention repeated, (4) digital marketing has a positive effect on repurchase intention with partial mediation (partial mediation) by consumer satisfaction, (5) consumptive lifestyle has a positive effect on repurchase intention with full mediation (full mediation) by consumer satisfaction, (6) Word of mouth has a positive effect on repurchase intention with partial mediation (partial mediation) by consumer satisfaction.

Keywords: digital marketing, consumptive lifestyle, word of mouth, consumer satisfaction, repurchase intention.
