Dear Augustinus Bayu Primawan

We hope you are in a healthy and good condition. The World Health Organization (WHO) has declared COVID-19 to be a pandemic, and now there are many restrictions on travel and in-person convening. The health and safety of our event participants are of paramount importance to IEEE and the ICIEE 2020 committee. Because of that, the ICIEE 2020 date was postponed to 20-21 October 2020.

Regarding your paper submission No. 4 entitled Utilization of Three-dimensional Spatial Maps in Access Point Placement Optimization for ICIEE2020 that has been ACCEPTED. The IEEE concerns with the quality of the paper published in the IEEEExplore, further each paper should be reviewed by minimal 3 reviewers.

The committee has received the full reviews that are below this email or can be found at your easychair account (<https://easychair.org/conferences/?conf=iciee2020>). Please make the necessary changes based on reviewers' comments and suggestions. The Committee will check whether the revision has been performed or not. Fail to do so, we have a right to exclude your paper from the ICIEE 2020 proceedings.

Now we would like your cooperation with the double-check of your paper.

- (1) For the paper final (camera-ready) version: Please Strictly use and follow to the IEEE template Manuscripts (Word Format): <http://iciee.untirta.ac.id/conference-template-a4.docx>

- (3) Please take notice that the Camera-Ready should be submitted by September 20, 2020.
- (4) Most importantly, please ensure the similarity score of your paper is less than 30%. According to IEEE regulations, any paper with a similarity score of more than 30% will be dropped and should be reported to IEEE. If the similarity score of Camera Ready version is more than 30%, the paper will be dropped or canceled to be presented at ICIEE 2020.
- (5) Any paper that has been "accepted" must be registered no later than September 20, 2020. The paper which is not registered will be dropped automatically.
