

ABSTRAK

Skripsi ini berjudul **PERAN ORANG TUA DALAM PENDIDIKAN IMAN DI STASI SANTA ELISABETH MARGOMULYO KABUPATEN OKU TIMUR SUMATERA SELATAN**. Judul ini dipilih berdasarkan keprihatian penulis terhadap peran orang tua sebagai pendidik iman anak. Orang tua yang kurang memiliki waktu untuk memberikan pendidikan iman anak dikarenakan sibuk bekerja sebagai petani di ladang, dimana orangtua dari pagi hingga sore hari menghabiskan waktunya bekerja, sehingga orangtua tidak memperhatikan pendidikan iman anak-Nya, serta orang tua hanya bisa mengandalkan pendidikan iman anak lewat sekolah minggu dan pendidikan di sekolah. Oleh Karena itu penulis menyusun skripsi ini dengan harapan orang tua menyadari bahwa orangtua berperan dalam pendidikan iman anak serta orang tua mempunyai strategi dalam memberikan pendidikan iman anak. Anak-anak mereka sangat membutuhkan pendampingan dari orang tua, disebabkan usia anak-anak dalam masa pertumbuhan iman, sehingga orang tua yang bertanggung jawab dalam perkembangan iman anak-anaknya. Penelitian ini merupakan penelitian kualitatif deskriptif dimana penulis memperoleh data melalui hasil wawancara, foto dan dokumentasi. Metode ini dipilih sebagai metode penelitian untuk memperoleh gambaran yang terjadi pada peran orang tua dalam pendidikan iman anak. Berdasarkan penelitian peran orang tua dalam pendidikan iman anak, orang tua mengalami beberapa kesulitan. Kesulitan tersebut antara lain, anak sibuk dengan handphone nya, tidak adanya kerukunan antara anak dan orang tuanya, orang tua yang tidak peduli dengan perkembangan iman anak, orang tua yang sibuk dengan pekerjaan, sumber daya yang rendah atau pengetahuan orang tua yang terbatas. Berdasarkan kesimpulan dan saran pemahaman orang tua tentang peran orang tua dalam pendidikan iman anak sudah sangat baik, akan tetapi orang tua belum sepenuhnya menerapkan tugasnya sebagai pendidik iman anak yang pertama dan utama.

ABSTRAK

*This undergraduate thesis is entitled **THE ROLE OF PARENTS IN FAITH EDUCATION AT SANTA ELISABETH MARGOMULYO STATION, OKU DISTRICT EAST OF SOUTH SUMATRA**. This title was chosen based on the author's concern for the role of parents as educators of children's faith. Parents who do not have time to provide children's faith education because they are busy working as farmers in the fields, where parents spend their time working from morning to evening, so that parents do not pay attention to their children's faith education, and parents can only rely on children's faith education through Sunday school and education at school. Therefore, the author wrote this thesis in the hope that parents realize that parents play a role in children's faith education and that parents have strategies in providing children's faith education. Their children really need assistance from their parents, because the children are in the period of developing their faith, so parents are responsible for the development of their children's faith. This research is descriptive qualitative research, the author obtained data through interviews, photos and documentation. This method was chosen as a research method to obtain an overview of the role of parents in children's faith education. Based on research on the role of parents in children's faith education, parents experienced several difficulties. These difficulties include, among other things, children being busy with their cellphones, lack of harmony between children and their parents, parents who do not care about the development of their children's faith, parents who are busy with work, low resources or limited parental knowledge. Based on the conclusions and suggestions, parents' understanding of the role of parents in children's faith education is very good, but parents have not fully implemented their duties as children's first and foremost faith educators.*
