Dear committee,
I think i made a mistake about filling the registration form, I fill:

ISIET19	Nugroho Budi Wicaksono	Indonesia	Regular (Thai)	Submitted
---------	------------------------	-----------	----------------	-----------

and it should be

ISIET19	Nugroho Budi Wicaksono	Indonesia	Regular (Foreigner)	Submitted
---------	------------------------	-----------	---------------------	-----------

I am sorry, can you correct my form?
Thank you.

best regards,
nugroho
