Peneliti memilih judul “**MAKNA HIDUP DOA DALAM PERKEMBANGAN SPIRITUALITAS UMAT DI WILAYAH SANTO YULIUS JENAWI PAROKI SANTA PERAWAN MARIA FATIMA SRAGEN**”. Judul ini dipilih berdasarkan keprihatinan yang dialami penulis terhadap umat dalam memaknai hidup doa sebagai bagian perkembangan spiritualitas. Permasalahan yang dialami umat adalah umat sangat aktif dalam kegiatan hidup doa tetapi umat belum mampu merasakan doa tersebut dalam perkembangan spiritualitas mereka. Umat merasa bahwa hidup dalam doa saja sudah cukup dalam menjalani kehidupannya, padahal makna doa ada pada berpengaruh tidaknya praktik hidup doa tersebut dalam perkembangan spiritualitas yang ada dalam dirinya. Melalui permasalahan tersebut penulis menanggapi dengan melakukan penelitian menggunakan metode kualitatif, dengan melakukan observasi dan melakukan wawancara secara langsung di lapangan guna memperoleh kebenaran. Berdasarkan hasil penelitian, hidup doa dalam perkembangan spiritualitas umat di wilayah Jenawi sudah baik. Umat sudah mampu memahami makna hidup doa, makna spiritualitas, dan hidup doa dalam perkembangan spiritualitas umat. Hidup doa menjadi bagian penting dalam kehidupan umat beriman, dimana doa menjadi daya spiritualitas umat sehingga kekuatan doa memiliki dampak yang luar biasa. Umat Jenawi sangat tekun mengenai hidup doa, sehingga mampu dihayati dengan luar biasa melalui kehidupan menggereja yang baik.

*The autor chose the title of the thesis “**THE MEANING OF PRAYER LIFE IN THE DEVELOPMENT OF PEOPLE'S SPIRITUALITY IN THE SANTO YULIUS JENAWI PARISH OF THE BLESSED VIRGIN MARY FATIMA SRAGEN**”. This title was chosen based on the author's concern for people in interpreting prayer life as part of spiritual development. The problem experienced by the people is that the people are very active in prayer life activities but the people have not been able to feel the role of prayer in the development of their spirituality. People feel that living in prayer is enough to live their lives, even though the meaning of prayer lies in whether or not the practice of praying has an influence on the development of spirituality within them. Through this problem the author responded by conducting research using qualitative methods, by making observations and conducting interviews directly in the field in order to obtain the truth. Based on research results, prayer life in the development of spirituality of people in the Jenawi area is good. The people are able to understand the meaning of prayer life, the meaning of spirituality, and the role of prayer life in the development of people's spirituality. The life of prayer is an important part of the lives of believers, where prayer becomes the spiritual power of the people so that the power of prayer has an extraordinary impact. The Jenawi people are very diligent about their prayer life, so they can live it extraordinary through a good church life.*
