Penulis memilih judul **“MANFAAT FILM ‘MBAH TARMi’ DALAM PEWARTAAN IMAN UMAT KATOLIK DI LINGKUNGAN SANTO PETRUS TIROSUWORO PAROKI SANTO IGNATIUS DANAN”**. Penelitian ini dilatarbelakangi oleh kemajuan teknologi dan informasi yang semakin meningkat pesat. Perkembangan yang terjadi ini tidak bisa dihindari. Oleh karena itu, Gereja terus membarui diri agar umat milenial tertarik dengan gaya katekese yang modern. Pada kenyataannya gaya pembaharuan ini belum merata. Hal ini terjadi di umat Lingkungan Santo Petrus Tirtosuwo yang masih menggunakan katekese yang berfokus pada pengajaran dogmatis. Penelitian ini bertujuan untuk mengetahui manfaat film “Mbah Tarmi” dalam pewartaan iman umat katolik bersama umat Lingkungan Santo Petrus Tirtosuwo Paroki Santo Ignatius Danan. Katekese audio visual menjadi salah satu kemungkinan umat di Lingkungan Santo Petrus Tirtosuwo. Katekese audio visual ini menjadi model baru dalam menyampaikan pewartaan iman bagi umat di Lingkungan Santo Petrus Tirtosuwo. Penelitian ini menggunakan metode penelitian kualitatif. Pengumpulan data dilakukan dengan pengamatan atas katekese audio visual, wawancara dan *Focus Group Discussion (FGD)*. Data yang terkumpul kemudian divalidasi dengan triangulasi teknik. Hasil penelitian menunjukkan bahwa film “Mbah Tarmi” bermanfaat sebagai media pewartaan iman katolik di Lingkungan Santo Petrus Tirtosuwo. Umat merasa katekese audio visual melalui film “Mbah Tarmi” sangat cocok digunakan sebagai media pewartaan iman, karena dirasa lebih efisien dan membuat penonton mudah menangkap pesannya. Umat berharap supaya katekese audio visual dapat terus dilakukan secara rutin demi pertumbuhan iman umat khususnya di Lingkungan Santo Petrus Tirtosuwo Paroki Santo Ignatius Danan.

The author chose the title of the thesis “THE BENEFIT OF FILM ‘MBAH TARMI’ IN THE PROCESS OF PROCLAIMING FAITH IN THE CATHOLIC COMMUNITY OF SANTO PETRUS TIRTOSUWORO PARISH OF SANTO IGNATIUS DANAN”. This research is motivated by the rapidly advances in technology and information. This development of technology cannot be avoided. Therefore, the Church continues to renew itself so that millennial people are interested in modern catechesis styles. In reality, this reform style has not been evenly distributed. This happened in the Catholic community of St. Petrus Tirtosuwo who still uses the old, outdated model of catechesis. This research aims to find out the role of the film "Mbah Tarmi" in proclaiming faith in the Catholic Community of Santo Petrus Tirtosuwo Parish of Santo Ignatius Danan. Audio-visual catechesis is one possibility for the congregation of Santo Petrus Tirtosuwo. This audio-visual catechesis is a new model in conveying the message of faith to the people in the St. Petrus Tirtosuwo. This study used qualitative research methods. Data collection was carried out by observing audio visual catechesis, interviews and Focus Group Discussion (FGDs). The collected data was validated using technical triangulation. The research results show that the film "Mbah Tarmi" plays a role as a medium for proclaiming faith in the Catholic Community of Santo Petrus Tirtosuwo. The people feel that audio-visual catechesis through the film "Mbah Tarmi" is very suitable to be used as a medium for proclaiming faith, because it is more efficient and makes it easier for the audience to understand the message. The people hope that audio-visual catechesis can continue to be carried out regularly for the sake of the growth of the people's faith, especially in the Catholic Community of Santo Petrus Tirtosuwo, Santo Ignatius Danan Parish.
