Persekutuan Doa Karismatik Katolik (PDKK) di Paroki Hati Santa Perawan Maria Tak Bercela Kumetiran aktif menyelenggarakan kegiatan persekutuan doa yang mendorong keterlibatan umat dalam kehidupan menggereja. Permasalahan yang terjadi bahwa ada anggota Persekutuan Doa yang tidak mau terlibat dalam pelayanan. Maka, penelitian ini bertujuan menganalisis peranan PDKK dalam membangun keaktifan anggotanya di paroki, lingkungan, dan wilyah. Menggunakan metode kualitatif dengan triangulasi sumber, data dikumpulkan melalui observasi, dokumentasi, dan wawancara mendalam terhadap tujuh anggota PDKK serta dua validator, yakni koordinator lama PDKK dan Romo Vikaris Parokial. Penelitian dilaksanakan pada September–Oktober 2025 di Paroki Kumetiran. Hasil penelitian menunjukkan bahwa PDKK berperan besar dalam memotivasi dan menumbuhkan keaktifan umat melalui pendampingan rohani, persekutuan doa, dan pelayanan. Namun, keterlibatan umat sangat dipengaruhi oleh kesadaran pribadi untuk terlibat dalam hidup menggereja. Tantangan utama yang dihadapi PDKK adalah membangun kesadaran dan keberanian umat untuk menghayati serta mengamalkan pengalaman rohani yang mereka peroleh dalam persekutuan doa.

*The Catholic Charismatic Prayer Community (CCPC) at the Immaculate Heart of the Virgin Mary Parish in Kumetiran actively organizes prayer fellowship activities that encourage congregational involvement in church life. The problem that occurs is that some Prayer Fellowship members are unwilling to participate in services. Therefore, this study aims to analyze the role of CCPC in building the activeness of its members in the parish, neighborhood, and region. Using qualitative methods with source triangulation, data were collected through observation, documentation, and in-depth interviews with seven CCPC members and two validators, namely the CCPC's long-time coordinator and the Parochial Vicar. The study was conducted in September–October 2025 at Kumetiran Parish. The results show that CCPC plays a significant role in motivating and fostering congregational activity through spiritual accompaniment, prayer fellowship, and service. However, congregational involvement is strongly influenced by personal awareness to be involved in church life. The main challenge faced by CCPC is building the awareness and courage of congregations to internalize and practice the spiritual experiences they gain in prayer fellowship.*
