Skripsi ini berjudul **DESKRIPSI KETERLIBATAN UMAT DALAM HIDUP PERSEKUTUAN LEGIO MARIA DAN *CATHOLIC FAMILY MINISTRY* DI PAROKI SANTA MARIA FATIMA BREBES**. Latar belakang penelitian ini berangkat dari keprihatinan terhadap kurangnya kesadaran sebagian umat untuk terlibat aktif dalam kegiatan persekutuan Legio Maria dan *Catholic Family Ministry*. Skripsi ini dimaksudkan untuk mendeskripsikan keterlibatan umat, faktor hambatan dan pendukung serta menemukan dampak dari keterlibatan umat dalam hidup persekutuan Legio Maria dan *Catholic Family Ministry*. Penelitian ini menggunakan metode kualitatif deskriptif dengan teknik pengumpulan data melalui observasi dan wawancara terstruktur terhadap 13 informan dan 2 validator. Hasil penelitian ini menunjukkan bahwa keterlibatan umat terwujud melalui partisipasi aktif dalam kegiatan Legio Maria dan *Catholic Family Ministry* (CFM), seperti kehadiran dalam setiap pertemuan, terlibat dalam pembagian tugas, terlibat kunjungan umat serta kegiatan sosial. Keterlibatan tidak hanya sekedar kehadiran fisik setiap anggota, melainkan sebagai bentuk kesadaran dan tanggung jawab sebagai umat Gereja dan anggota persekutuan tersebut. Faktor pendukung keterlibatan yaitu seperti kesadaran diri, dukungan romo paroki, relasi antar umat serta kegiatannya yang relevan dengan kebutuhan iman umat. Sementara itu, faktor penghambat keterlibatan meliputi kesibukan, keterbatasan waktu, kurangnya pemahaman tentang pentingnya persekutuan dan rendahnya kesadaran sebagian umat. Adapun dampak dari keterlibatan antara lain pertumbuhan iman, meningkatkan rasa kebersamaan, kepedulian serta terbangunnya relasi yang lebih erat dalam komunitas. Keterlibatan umat menjadi unsur penting dalam membangun dan menghidupi persekutuan di paroki.

*This thesis entitled **DESCRIPTION OF THE INVOLVEMENT OF THE FAITHFUL IN THE LIFE OF THE LEGIO MARIA AND CATHOLIC FAMILY MINISTRY IN THE PARISH OF SANTA MARIA FATIMA BREBES**. The background of this study stems from concerns regarding the lack of awareness among some parishioners regarding active participation in community activities. This thesis aims to describe parishioner involvement, identifying both barriers and enabling, as well as to determine the impact of parishioner involvement in the life of the Legio Maria and Catholic Family Ministry communities. This study employs a descriptive qualitative method, utilizing data collection techniques such as observation and structured interviews with 13 informants and 2 validators. The results of this study indicate that parishioner involvement is manifested through of the Legion of Mary and the Catholic Family Ministry (CFM), such as attendance at every meeting, involvement in task distribution, participation in parishioner visits and social activities. Involvement is not merely the physical presence of each member but rather a form of awareness and responsibility as members of the Church and of the community. Supporting factors for involvement include self-awareness, support from the parish priest, relationships among parishioners and activities relevant to the faith needs of the faithful. Meanwhile, factors hindering participation include busyness, time constraints, a lack of understanding regarding the importance of fellowship and low awareness among some parishioners. The benefits growth, a greater sense of community, increased compassion and the development of closer relationships within the community. Parishioner participation is a key element in building and sustaining fellowship within the parish*
