

ABSTRAK

Judul skripsi ini adalah “PERSIAPAN SAKRAMEN KRISMA REMAJA TAHUN 2014 DI PAROKI SANTO YOHANES RASUL SOMOHITAN DAN UPAYA PENDAMPINGANNYA”. Judul ini dipilih bertitik tolak dari keprihatinan penulis terhadap kaum muda yang telah menerima Sakramen Krisma di Paroki Santo Yohanes Rasul Somohitan yaitu para remaja dalam mengikuti persiapan Sakramen Krisma hanyalah sebagai formalitas belaka, sehingga kosekusensi setelah menerima Sakramen Krisma tidak disadari.

Sakramen Krisma merupakan salah satu dari Sakramen Inisiasi, seseorang yang telah menerima Sakramen Krisma dianggap dewasa dalam iman dan siap untuk dilibatkan dalam tugas perutusan baik dalam Gereja maupun ditengah masyarakat. Supaya seseorang diijinkan menerima dan menyambut Sakramen Krisma diperlukan suatu pendampingan dan masa persiapan khusus bagi mereka yang akan menerimanya. Mulai dari program pendampingan, pendamping, calon penerima dan evaluasi.

Persoalan pokok dalam skripsi ini adalah melihat gambaran pelaksanaan persiapan Sakramen Krisma di Paroki Santo Yohanes Rasul Somohitan, mengetahui program, pendamping dan calon penerima Sakramen Krisma. Untuk mengkaji masalah ini diperlukan data yang akurat. Oleh karena itu peneliti melakukan penelitian dengan menyebarkan kuesioner kepada calon penerima Sakramen Krisma tahun 2014 di Paroki Santo Yohanes Rasul Somohitan. Hasil penelitian menyatakan sebagian besar persiapan Sakramen Krisma tahun 2014 sudah berjalan baik dengan memenuhi kriteria.

Penulis mengusulkan susunan program pendampingan bagi kaum muda. Di dalamnya terdapat materi-materi tentang pengertian Sakramen Krisma, makna Sakramen Krisma dan tugas perutusan Gereja.
