

ABSTRAK

Judul skripsi ini adalah **UPAYA MEMBANGUN KELUARGA KRISTIANI MELALUI PENDAMPINGAN KELUARGA DI PAROKI KUNJUNGAN SANTA MARIA PENIUNG, KAPUAS HULU, KALIMANTAN BARAT**. Judul ini dipilih berdasarkan pandangan penulis tentang pentingnya upaya membangun keluarga kristiani. Upaya ini dapat dilakukan bukan hanya oleh keluarga itu sendiri tapi perlu didukung oleh tim pendamping keluarga. Berdasarkan fakta di Paroki Kunjungan Santa Maria Peniung, Kapuas Hulu, Kalimantan Barat, keluarga kristiani belum mendapat pendampingan keluarga dengan baik.

Persoalan mendasar dalam skripsi ini adalah bagaimana meningkatkan pendampingan keluarga di Paroki Kunjungan Santa Maria Peniung, Kapuas Hulu, Kalimantan Barat. Untuk menanggapi persoalan ini, maka penulis mengadakan penelitian lapangan tentang pendampingan keluarga pada pasangan suami istri di Paroki Kunjungan Santa Maria Peniung, Kapuas Hulu, Kalimantan Barat. Selain penelitian lapangan penulis juga melakukan studi pustaka tentang pendampingan keluarga dan usaha membangun keluarga kristiani, sehingga membantu penulis dalam mengola dan menganalisis data.

Hasil penelitian menunjukkan bahwa keluarga kristiani di Paroki Kunjungan Santa Maria Peniung, Kapuas Hulu, Kalimantan Barat sudah melakukan upaya membangun keluarga kristiani melalui pendampingan keluarga. Namun di Paroki Kunjungan Santa Maria Peniung, Kapuas Hulu, Kalimantan Barat pendampingan keluarga belum terlaksana dengan baik dan ada kebutuhan tim pendamping keluarga. Oleh karena itu, untuk menanggapi kebutuhan tersebut, maka penulis mengusulkan program kaderisasi untuk calon pendamping keluarga dan pendamping keluarga yang sudah ada. Melalui kaderisasi penulis berharap akan tersedianya pendamping keluarga yang memiliki pengetahuan, keterampilan dan spritualitas yang memadai, sehingga mampu mendampingi keluarga kristiani di Paroki Kunjungan Santa Maria Peniung, Kapuas Hulu, Kalimantan Barat dengan baik.

ABSTRACT

Title Thesis THE EFFORT TO DEVELOP CHRISTIAN FAMILY THROUGH FAMILY COUSELLING TEAM IN KUNJUNGAN SANTA MARIA PARISH OF PENIUNG, KAPUAS HULU, WEST BORNEO. This title was chosen based on the writer's perception of the importance of developing Christian Family. This effort can be done not only by the family itself, but it needs to be supported by family counselling team. Based on the fact that in Kunjungan Santa Maria Parish of Peniung, Kapuas Hulu, West Borneo, Christian families in that city do not get enough guidance for themselves from.

The main issue in this thesis is how to increase the guidance family in Kunjungan Santa Maria Parish Peniung, Kapuas Hulu, West Borneo. To response this problem, the writer conducted a research on the guidance to husbands and wives in Kunjungan Santa Maria Parish, Peniung, Kapuas Hulu, West Borneo. Beside the field research, the writer also conducted a library study to gain information and data about guidance family and the effort to develop a Christian family, so it could help the writers to process and analyze the data.

The result of this thesis shows that Christian families in Kunjungan Santa Maria parish, Peniung, Kapuas Hulu, West Borneo already followed the guidance family through the teams of guidance family. However, the fact was that the activities were not going well. The guidance had not been done yet and there were also some needs of having more teams. To respond to those needs, the writer has proposed the training for young cadres for regeneration for prospective family companion and escort existing family. Through the regeneration, the writer hopes the availability of the new guidance family teams who have a good knowledge, skills, and spirituality will help to assist Christian families in Kunjungan Santa Maria parish, Peniung, Kapuas Hulu, West Borneo to deepen to deepen their faith and understanding.
